## Biggest Air Battle Of Korean War Victory For U. S. Jets

### U.S. Jet Planes Win Air Battle High Over Korea

At Least Four Of Enemy Planes Shot Down In Air Clash

(BULLETIN)  
WASHINGTON, Jan. 23.—(INS)—Air Force headquarters announced today that six enemy fighters, including five jets were destroyed yesterday in the biggest air action of the Korean war.

A spokesman said the Air Force believes that the Communists may have decided to go all-out with their air potential "because they are really suffering on the ground and must do so to sustain themselves."

(U. S. War Correspondent)

U. S. FIFTH AIR FORCE HEADQUARTERS, Korea, Jan. 23.—At least four Russian-type MIG-15 jet fighters were shot down, a fifth probably destroyed and two others probably damaged today in the greatest air battle of the Korean War.

The whirling dogfight, waged at speeds exceeding 600 miles per hour, broke out over Korea's northwest frontier city of Sinuiju and involved 18 to 28 Communist jet interceptors against 24 American F-84 Thunderjets. None of the F-84s was damaged.

The Soviet-made MIGs streaked into the attack from airfields at the Chinese city of Antung across the river from Sinuiju.

Battle High In Air  
The screaming sky battle many thousands of feet above the earth's surface lasted 30 minutes.

It began after the Thunderjets swept low to rake the Sinuiju airfield where reconnaissance aerial photographs had shown a number of Communist planes parked on the ground.

Maj. Gen. Earle E. Partridge, Fifth Air Force commander, issued a preliminary announcement that four of the MIGs were definitely downed, a fifth probably destroyed and two others probably damaged.

A Fifth Air Force spokesman reported Red losses:

"We are carrying four destroyed, one probable, two damaged and

### GOES TO JAPAN TO WRITE PEACE TREATY

WASHINGTON, D. C.—John Foster Dulles, who is directing American efforts to write a Japanese peace treaty, leaves Washington en route to Japan to consult General MacArthur and Japanese civil leaders about the treaty.

### Move For Japanese Treaty Pleasing To MacArthur

(BULLETIN)

TOKYO, Jan. 23.—(INS)—Gen. Douglas MacArthur declared today he is "delighted that at last a determined concrete effort is being made to formulate a treaty with Japan."

MacArthur's statement followed word that a United States mission headed by John Foster Dulles is en route to Tokyo to discuss the possible treaty with him and with leaders of the Japanese government.

The Dulles mission left Washington yesterday.

"It is long overdue. It should not be unduly difficult to arrive at a just and honorable agreement.

"Certainly Japan is entirely ready to accept a solution in a broad, statesmanlike spirit and is well prepared to play its full and enlightened part in world affairs.

"The United States could have sent no more welcome representative to conduct its present discussions than Ambassador Dulles and we all hail with enthusiasm the arrival and portent of his mission in Tokyo."

Accompanying Dulles as advisers are Assistant Secretary of the Army Earle D. Johnson, John D. Rockefeller III, and John Allison, State Department Japanese expert.

PARIS, Jan. 23.—Gen. Dwight D. Eisenhower returned to Paris today from his defense army conferences in Germany, where he stressed that he does not hold the regular German officer and soldier guilty for criminal acts of nazis during World War II.

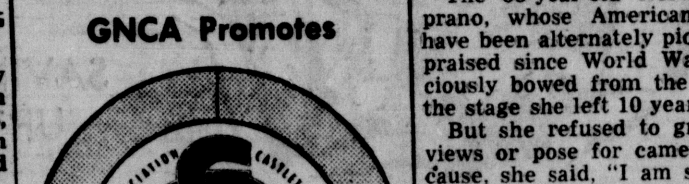

The commander of Europe's western defense army said on leaving Frankfurt he had told this to Chancellor Dr. Konrad Adenauer and other German officials.

"For my part," he said, "I do not believe the German soldier as such has lost his honor."

"The fact that certain individuals committed dishonorable and despicable acts in wartime reflects on the individuals concerned and not on the great majority of German soldiers and officers."

Gen. Eisenhower's special Constellation was forced by bad weather to circle Orly airfield outside Paris for 49 minutes before the pilot could land on the plane's arrival from Frankfurt.

### U.S. Presses For Early Vote On China Issue

Seeks U.N. Action To Condemn China As War Aggressor

By PIERRE J. HUSS  
(U. S. Staff Correspondent)

LAKE SUCCESS, N. Y., Jan. 23.—The United States pressed today for an early vote on condemning Communist China as an aggressor and attacked the new Peiping limited truce bid as a trick to negotiate "at the point of a gun."

The Chinese statement that a cease fire in Korea could be arranged as a first step in a seven-power conference on Asiatic problems left the United States and the Arab-Asian bloc deeply split.

Work for New Peace Move

The bloc, seemingly supported by Britain and some other commonwealth nations, including Canada, worked energetically for a new peace move toward Peiping ahead of consideration of the American resolve.

India, leader of the Arab-Asian bloc, won a 48-hour adjournment in the U. N. political committee last night with its announcement that the Indian ambassador in Peiping had been assured by the Communist regime that the Korean War could be settled by a seven-power conference acting on the following order:

Order of Action

Negotiate a cease-fire in Korea; arrange the withdrawal of all foreign troops; help settle Korea's internal affairs by the Korean people; arrange definite stages for the U. S. withdrawal of protection

Twenty-Eight Are Sent To Pittsburgh

By CHARLES A. SMITH  
(U. S. Staff Correspondent)

LONDON, Jan. 23.—Prime Minister Attlee told the House of Commons today that his government "has not lost hope of negotiating a settlement in Korea" and indicated Britain wants a full exploration of Communist China's new terms.

The statement brought a prompt warning to the government from Winston Churchill not to engage in any "maneuvers" in the U. N. that might favor Soviet Russia and cause "any serious divergences between our policy and that of the United States."

Brisk Interchange  
The statements were made during a brisk interchange between Winston Churchill and the prime minister in the House of Commons that followed a special cabinet meeting.

The government reportedly decided to instruct British U. N. Delegate Sir Gladwyn Jebb not to reject Communist China's latest proposals for a cease fire in Korea but to explore all possibilities. The U. S. has called the Peiping proposals a delaying "trick."

Attlee stressed that while any hope of negotiations remains, no serious measure such as imposition of sanctions against Communist China should be taken as it would imply that the western powers had lost hope of settlement.

Mme. Kirsten Flagstad

Receives Ovation On Her Return To 'Met'

NEW YORK, Jan. 23.—(INS)—Mme. Kirsten Flagstad "came home" to the Metropolitan Opera House last night and received the greatest ovation of her career—33 curtain calls and 20 thundering minutes of "bravos!"

The 55-year-old Norwegian soprano, whose American concert have been alternately picketed and praised since World War II, graciously bowed from the center of the stage she left 10 years ago.

But she refused to grant interviews or pose for cameramen because, she said, "I am so tired of talking about the past."

Madame Flagstad left the Met in 1941 to return to Norway, after the country had been overrun by the German army. When she remained through the war with her husband—a member of the Quisling party—some Americans and Norwegians labeled her a "Nazi sympathizer."

Last night's performance of "Tristan and Isolde" appeared to be proof that she has sung her way back into the hearts of New York music-lovers.

European Allies Not Making Much Speed Gen. Eisenhower Finds

By KINGSBURY SMITH  
(European General Manager, I. N. S.)

PARIS, Jan. 23.—Belief that the European allies generally are failing to implement their defense programs fast enough will be reported to President Truman by General Dwight D. Eisenhower on his return from Europe this week.

At the same time, the supreme commander of the North Atlantic treaty forces will state that he was "cheered" by the over-all impression he had of the professed willingness of most of the European allies to make greater efforts in the common defense plan.

Will Need Further Study  
He will report, however, that it will take more time than he had on his first hurried trip to nine European countries to make a final assessment of Europe's willingness to make the necessary sacrifices to defend itself.

He will express his readiness to return to Europe next month to establish headquarters in France and to continue to "needle" the European allies into matching proportionately the sacrifices which the United States is being called upon to make to safeguard the western world.

### President Cracks Down On Leaders' Public Statements

By DARRELL GARWOOD  
(U. S. Staff Correspondent)

WASHINGTON, Jan. 23.—President Truman cracked down on all public statements by top federal civilian and military leaders, including Gen. MacArthur, six weeks ago—shortly after the Chinese Communist offensive started in Korea.

It was learned today that a memorandum variously referred to as an "order," a "caution," and a "gag" was circulated by cabinet members at the president's request in early December.

Document Distributed  
The document, distributed in slightly different form by the different government departments, states that its purpose is "not to curtail the flow of information, but to assure its accuracy."

Government sources revealing the main content of the memorandum said it undoubtedly started reports that MacArthur has been "gagged" and "can no longer speak for his own command."

The memorandum is marked "confidential," a low secrecy classification. This has been sufficient

### Budget Message Of President Is Under Attack

WASHINGTON, Jan. 23.—(INS)—Sen. Bridges (R) N. H., charged today that President Truman's budget message is shot through with "fraud" and "deceit" and should be withdrawn.

Bridges, ranking Republican on the Senate appropriations committee, said that "hidden figures" raise the total at least 25 billion dollars above the publicly announced amount of 71.5 billion dollars.

The senator contended that Mr. Truman "actually requests" authority to spend 94.5 billion dollars and seeks another four billion dollars to liquidate old bills.

Bridges suggested that perhaps the president "doesn't care" how high the national debt runs because "perhaps he thinks the fiscal disaster will wait until he has gone."

Then, Bridges added, a "Republican president and Republican Congress" will have to "assume responsibility for fiscal disaster."

### British Cabinet Plans To Examine China's Proposal

LONDON, Jan. 23.—(INS)—The British cabinet met in special session today and reportedly decided to press for exhaustive examination of China's latest proposals for a cease-fire in Korea instead of rejecting them outright.

Whitehall sources forecast that instructions to this effect will be sent to Sir Gladwyn Jebb, British delegate to the United Nations.

### U.N. Advance Is Made Five Miles Beyond Wonju

North Korean Forces Spearhead Moves To 30 Miles From Waegwan

By HOWARD HANDLEMAN  
(Far Eastern Director, I. N. S.)

TOKYO, Jan. 23.—An armored United Nations column pushed through pivotal Wonju and five miles farther north today as U. S. Thunderjets downed four to seven Soviet-type jets in the Korean War's biggest air battle.

In the east-central sector, however, 2,000-man spearhead of four North Korean Red divisions knifed within 30 miles of the old Pusan beachhead in a wide flanking threat to the main UN forces.

The air victory by 24 Thunderjets over 18 to 28 Russian-made MIG-15s was scored high above the northwest Korean border city of Sinuiju. In addition to four Communist jets definitely knocked down, a fifth was listed as probably destroyed and two others as probably damaged or downed.

Airfields Are Blasted

The all-jet battle was followed up with a crippling 150-ton Superfort blasting of two airfields at Pyongyang, the North Korean capital.

From the central front, meanwhile, International News Service War Correspondent Robert Schakne reported that a UN tank patrol task force rammed through Wonju and five miles northward along the road to Hongchon.

The armored column thus reached within 16 miles below Hongchon which is 47 air miles east-northeast of Seoul and straddles a trans-peninsular lateral highway leading to the enemy-occupied South Korean capital.

Biggest Recent Advance

Schakne's field dispatch, received at 9:40 Tuesday night (7:40 a. m. EST), said the northward thrust up the middle of the peninsula met no organized Red resistance. It was the biggest UN advance since the rail-highway hub city of Wonju was abandoned January 7.

At nightfall, the dispatch said, the UN troops were in occupation of Wonju and its key airfield after having reentered the city at noon Tuesday. Wonju lies 55 air miles southeast of Seoul. It straddles a lateral road stretching 70 miles west to Suwon, 20 miles south of Seoul.

The UN vanguard beyond Wonju reported that the important road to Hongchon was "in good condition." The patrol killed five or 10 Red soldiers in brief skirmishes along the way.

It also dispersed more than 75 Communists on a height adjoining Hill 273 with artillery fire. The enemy group retreated to a ridge

He said there were 33 American planes in the vicinity at the time of the battle but only 24 took part in the aerial encounter. Nine others were "in the area" but were not in the dogfight at any time. He said complete evaluation of the results of the spectacular sky engagement would have to wait development of motion picture films taken from the participating American planes.

The last of the 24 Thunderjets had swept the Sinuiju airfield when a vanguard flight of four MIGs swooshed south over the Yalu and attacked the American aircraft.

### Pounded on Enemy

A "top cover" flight of four Thunderjets, led by Lt. Joseph Kratt of Sioux Falls, Wis., promptly pounded on the enemy interceptors.

"We saw the MIGs taking off from the Antung airfield just across the river," said Lt. Kratt, "and we were just waiting for them to start something."

"When they dove in, we knew we had them."

All the American pilots, returning to their air base in Korea, agreed that the MIG pilots fought aggressively and with teamwork. However, Capt. Slaughter said the Red pilots seemed to lose their confidence when for the first time they discovered they did not have the initial advantage in contact with the Thunderjets.

The American flyers estimated the number of MIGs in the battle at from 18 to 28.

An air force spokesman said that the bombers made no particular effort to "sneak through" the radar fence, even though their routes were varied and not announced to radar operators.

The spokesman explained: "The major purpose of the maneuvering was to give our radar stations training in interception and tracking the planes rather than seeing whether the planes would escape detection."

Meanwhile, International News Service learned that the main instructions in the memorandum are the following:

1. "Do not discuss government policy in fields not your own."
2. Use "caution in public statements" and reduce the volume of these statements.
3. Submit public statements to the State or Defense Department in Washington for clearance when there is a possibility that they may conflict with the government's diplomatic or military policies.
4. Statements on budgetary matters and related government policies must be referred to the appropriate agency for clearance.

The instructions are subject to widely different interpretations according to the "field" in which the officer or official operates.

## Deaths Of The Day

### Mrs. Mary E. Kauffman

Mrs. Mary Elizabeth Kauffman, aged 92, of 512 Pine avenue, Ellwood City, died in the Ellwood City hospital Monday, following a month's illness.

Mrs. Kauffman was born in Butler county, August 25, 1858 and resided in New Castle for many years. She was a daughter of the late Mary E. and Harrison David Sackett, the latter, who was a Civil War Veteran of Co. C, 11th Regiment, Pennsylvania Reserves Volunteers. Mrs. Kauffman was a Sixteener. Her husband, William A. Kauffman, preceded her in death 20 years ago.

Mrs. Kauffman was a member of the First Christian church of this city.

Surviving are two daughters, Mrs. Alice Lewis of Ellwood City; Mrs. Belle Johnston of Youngstown; three grand-daughters and seven great grandchildren. She had made her home with a grand-daughter, Mrs. George MacMurdoo of Ellwood City for the past 15 years.

Funeral services will be conducted from the Offutt Funeral home, North Mercer street, Wednesday at 2 p. m., with Dr. G. S. Bennett officiating. Burial will follow in Graceland cemetery. Friends may call at the funeral home this evening from 7 to 10 o'clock.

### James F. Megan

James F. Megan, aged 60 years, died suddenly of a heart ailment today at 7 a. m. at his home, 199 Mills way. He had been ill for two years.

Born May 7, 1890, in Oil City, he was a son of Lawrence and Mary Collins Megan. A resident of this city for 20 years, he was an employee of the United Engineering & Foundry Co.

Mr. Megan was a member of St. Mary's church, Holy Name society, Knights of Columbus, and Elks' Lodge No. 170, Butler.

Survivors are his widow, nee Hazel Henshaw, whom he married 39 years ago; three children, Carl H. New Castle, Mrs. L. Valjane Mir, Butler, and Mrs. Dorothy M. Donston this city; and five grandchildren.

He also leaves a brother, Arthur J. Butler, and three sisters, Mrs. Anna M. Shetter, New Kensington, Mrs. Margaret M. Marm, Monaca, Md., and Mrs. Mildred M. O'Brien, Butler.

Mass will be offered Thursday at 10 a. m. from St. Mary's church. Burial will take place in Calvary cemetery, Butler.

Friends may call from 7 to 9 p. m. today and from 2 to 4 and 7 to 9 p. m. Wednesday at the funeral home, Highland at Lincoln.

### Mrs. Weinberg Funeral

Funeral services for the late Mrs. Margaret Douglas Weinberg, Orchard street, Weirton, W. Va., were held Friday, January 19, at 1 o'clock from the home of her sister and brother-in-law, Mr. and Mrs. Maurice Slavovskiy, 1007 South Mercer street.

Funeral services had been conducted at the Wolfe-Steel funeral home in Weirton Thursday at 1 o'clock with Rabbi Morton, spiritual leader of Beth Israel synagogue, Weirton, in charge.

Rabbi Morton, Rabbi Jules Lipschutz and Rev. Benjamin Miller conducted services at the Tifereth Israel chapel and burial followed in Tifereth Israel cemetery.

Palbearers were William I. Markovitz, Sylvan Markovitz, Alec Samuels, Nathan Love, Samuel Edelstein and Charles Cushman.

### Zeitler Funeral Time

Funeral services for Arthur Zeitler, 14 Vesper street, Akron, O., will be conducted Wednesday at 2:30 p. m. from the John R. Hodges funeral home, Wallace avenue, this city, where friends may call after 7 p. m. today. Burial will take place in Oak Park cemetery.

Mr. Zeitler, aged 55 years, died Monday. Born in Punxsutawney, March 10, 1895, he was a son of Fanny C. Heess Zeitler Pringle and the late James M. Zeitler.

A resident of Akron for seven years, he was employed as chief clerk in the motive power department of the B. and O. railroad, having been an employee of that company for 32 years. Mr. Zeitler was a member of the English Lutheran church, Punxsutawney.

Survivors are his widow, nee Lodema Bilger, whom he married

33 years ago; his mother, Mrs. Fanny Pringle; this city; two daughters, Mrs. Jean Bruno, New Castle, and Muriel, at home; one brother, J. Byron, Monroe, Mich., and a grandson.

### Mrs. Minnie Carlson

Mrs. Minnie Carlson, aged 85 years, widow of John Carlson, died at her residence, 1015 Maryland avenue, at 10:10 a. m. today.

Mrs. Carlson was born in Finland November 25, 1865, and was a charter member of the Finnish Lutheran church.

She leaves one son, John W. Carlson, and one daughter, Mrs. Arthur Lundy.

The body has been removed to the Reynolds funeral home, Adams street. Arrangements for the funeral are incomplete and will be announced later.

### Sanford Funeral

Funeral services for John A. Sanford were conducted Monday at 2 p. m. from the Cunningham funeral home with Dr. J. Calvin Rose officiating.

Charles Bennett, James Mills, Thomas McCullough, Fred, Jack and John Sanford were pallbearers.

Burial took place in Graceland cemetery.

### Earl Funeral

Funeral services for C. Oliver Earl, of Highland Heights, R. D. 8, were conducted Monday at 2 p. m., from the Leyde mortuary, Rev. T. J. Jones in charge.

### Body To Arrive Here

The body of Louis H. Mack, R. D. 5, who died Monday at Miami Beach, Fla., will arrive in this city on Wednesday evening, when it will be removed to the Cunningham funeral home, East Washington at Chestnut. Further obituary will be published later.

### Mrs. Mary Walke

Mrs. Mary Walke, aged 83 years, of 6 Elmwood avenue was found dead in her home at 1 o'clock this afternoon by relatives. Mrs. Walke had evidently died several hours previously from a sudden heart attack, the coroner states.

The body has been removed to the Noga funeral home on South Main street, and a complete obituary will be published later.

## Report U.N. Troops Roamed At Will North Of Own Lines

LONDON, Jan. 23.—(INS)—A Reuters dispatch from Eighth Army headquarters said that United Nations troops roamed at will today miles north of their own lines in Korea and met only fragmentary opposition.

The dispatch reported that Communist forces appear halted all along the front. It added that this gave rise to widespread rumors that a general withdrawal order had been given to Communist troops.

Edgar's note: There was no confirmation from any authorized quarter regarding a general withdrawal. The account of fragmentary opposition referred apparently to the 70-mile-wide west and central front south and southeast of Seoul.

Up To Senate Today

Johnston's appointment, approved by the Senate Banking committee Monday, is expected to come up for Senate confirmation today. After the Senate acts, the president is expected to issue an order giving the new economic stabilizer sweeping powers over the anti-inflation program.

At the same time, Price Stabilizer Michael Disalle, who will work under Johnston, is putting the finishing touches on a price-wage freeze to be issued later this week.

Maybank criticized Mr. Truman for not consulting Congress on his economic appointments and for not considering "good outstanding Democrats" such as former Sen. Francis Myers, of Pennsylvania, for the job.

Bridges, in the most violent attack on the budget to date, asked the president to recall it and replace it with one that is "realistic and can be honestly justified."

The New Englander said: "If Stalin himself were given the opportunity to weaken America from within, he could scarcely produce a plan better calculated to destroy this government. We are asked to spend ourselves to ruin."

The senator noted that the president issued a news release claiming a five billion dollar saving on certain items. Bridges said his was "outright deceit" because programs on which the president claimed savings has been abolished.

LOGAN IS NAMED

HARRISBURG, Jan. 23.—(INS)—Francis Logan, of Philadelphia, today was appointed by Attorney General Charles J. McGrath to the justice department's inheritance tax section in Philadelphia.

He succeeds Irving Kieff who was promoted to head the section. Logan will receive \$3732 a year.

## U.S. PRESSES FOR EARLY VOTE ON CHINA ISSUE

(Continued from Page One)

from the Chinese Nationalist stronghold of Formosa; affirm Communist China's right to sit in the U. N.

The Chinese Communists advocated that the nation's taking part include the U. S., Britain, France, Russia, Communist China, India and Egypt.

Warren R. Austin, chief American delegate, assailed the Chinese move as "a transparent effort to divide the free world and delay the exercise of the U. N.'s Pacific functions—it is meant to postpone, delay and procrastinate." Austin added:

Not Even New

"Insofar as one can understand the Peiping communication, it is not even new. It is not a proposition. It is not addressed to U. N. It isn't much more than a postal card would be."

Late last night the State Department also denounced the Communist move. State Department Spokesman Michael J. McDermott said:

"If the communique pressed by Indian Delegate Sir Bengal Rau can be presumed to be addressed to the U. N., we do not consider that it constitutes an acceptance of the U. N. cease-fire proposal."

Congressional reaction in Washington to the Communist move could be summed up in these words: "How stupid do they think we are?"

British Show Concern

The British press showed concern today over what it interpreted as a division in Anglo-American relations. The News Chronicle carried a banner headline on its Lake Success story reading "China Divides Britain and the United States."

On Sunday American Delegate Ernest Gross in a declaration of American policy said that U. S. Security interests will dictate the future of Formosa. He also said that Nationalist China must have a voice in the disposition of the island and that the U. S. supports the Nationalists' continued membership in the U. N.

Grant Postponement

Despite Austin's whipping of the India intervention, the political committee voted by a narrow margin to grant Rau's requested 48-hour postponement of debate. The political committee consequently will meet again on Wednesday at 3 p. m.

The vote for adjournment was 27 to 23 and six abstentions. The United States voted against. Britain and France voted in favor. Abstentions included Argentina, Ecuador, Lebanon, Australia, New Zealand and Belgium.

Intensive consultations between the various capitals started without delay, undoubtedly bringing in an entirely new situation into the committee by tomorrow. Austin appealed for early approval of the U. S. resolution and protested the 48-hour delay as giving further time "in which the blood of our boys will be shed."

The battle against the adjournment, aside from the U. S., was led by the Philippines, Turkey, Greece, El Salvador, Venezuela, Chile and others.

500 yards to the north where it held on through Tuesday afternoon despite air strikes.

Thirty miles from Waegwan at 10 p. m. (8 a. m. EST) front dispatches from INS War Correspondent Lee Ferrero said Red guerrilla units were battling UN troops in the Andong area within 30 miles north of Waegwan.

Waegwan was the northwest "coffin corner" of the Pusan beachhead perimeter where the UN forces held on last summer in southeast Korea until the northward counter-offensive could be mounted. The big hub of Andong, astride vital rail and highway life lines, is 42 air miles north-north-east of Waegwan.

The Red infiltration to within 30 miles of Waegwan indicated the enemy guerrilla units already had swung behind Andong.

"The fighting is continuing and the enemy is showing no disposition to flee," said Ferrero's dispatch concerning this action in the east-central area.

The air battle over Sinuiju was fought Tuesday morning and began when the Communist MIG-15s hurled over the Yalu river border from Manchuria's Antung airbase to intercept the F-84 Thunderjets.

## DEFENSE EFFORTS MOVE SLOWLY AMONG ALLIES

(Continued from Page Two)

of his European tour, this correspondent is able to reveal that "like" will report to President Truman that nearly all the European allied governments told him their ability to develop effective defense forces depends upon accelerated deliveries of American military equipment.

There is reason to believe that General Eisenhower will recommend to the President that the United States should speed up such deliveries as quickly as it can, with due regard, of course, for American commitments in Korea, Indo-China and elsewhere.

### EWOMAN INJURES HIP

Mrs. Laura Riddle, aged 71 years, of Enon Valley, was admitted to the Jameson Memorial hospital at 3:15 p. m. Monday for treatment of a possible fracture of the right hip, received in a fall down a flight of steps in her home.

## State Liquor Store Sales Make Record

HARRISBURG, Jan. 23.—(INS)—The State Liquor Control Board today reported the sales volume in 588 State stores during 1950 hit an all-time high of \$212,960,669. The figure included the 10 per cent "emergency" tax first imposed 15 years ago.

In 1949, the board announced, the volume was \$198,317,824 while in 1948 it amounted to \$208,172,473.

Net profits during 1950, including the emergency tax which amounted to \$19,344,469, ran up to \$58,246,430, according to the board.

During 1949, net profits amounted to \$35,209,647 including emergency tax collections of \$18,013,263, the board reported.

## Employers Making Workers Returns

Employers are making returns for the last quarter of 1950, and will be permitted to do so, up to February 1. The returns consist of the amount of city wage tax the employers withheld from employees.

We seem to be going around and around, and we wonder where and when there will be some change. We make a little money today, and plan on buying something we need tomorrow. We start out: The tire we need has advanced from \$7.00 to \$20.00. The coal we use, which we understood would decrease in value with the increase of diesel engines, we are told will advance 50¢ a ton, and there are more diesel engines now than there ever was. Eggs, which are a necessity in most any family, have advanced beyond reason, and we are told it is because the Government, in order to keep the price up, bought thousands and thousands of dozens at high prices and sold them to the foreign countries for nearly nothing, and went back into the market, in order to keep the price up, and bought more eggs.

They claim that this is all on account of the War. Is this the case, or is it on account of everyone raising prices? Will it ever stop?

## HARLAN-PERSCHKE CHARMING NUPTIAL

Miss Edye Jane Harlan was a lovely bride for her marriage to Norman Laverne Perschke on Saturday evening, Jan. 20, at 8:30 o'clock in the First Christian church.

Dr. G. S. Bennett, pastor, united the couple in marriage, using the impressive double ring ceremony. The bride, daughter of Mr. and Mrs. Willard R. Harlan, R. D. 4, New Castle, wore navy blue suit with white accents and had a shoulder corsage of white carnations and white mums. The white Bible which she carried was a gift of the groom. She was given in marriage by her father.

A pearl gray suit with pink accessories was chosen by the maid of honor, Miss Marilyn Marie Forbes. Her shoulder corsage consisted of pink carnations and white mums.

G. Russel Perschke attended his brother as best man, while Gerald Perschke and Thomas Perschke ushered. They are sons of Mr. and Mrs. Norman Perschke, R. D. 6, New Castle. Paul Moore and Daniel Simmons also ushered.

"My Hero" "Ah, Sweet Mystery of Life" and "Because" were sung by Misses Grace and Pearl Lipp, accompanied by Mrs. William Hille.

Sixty guests were received in the church parlors immediately following the ceremony. Mrs. Wilbur Patterson, great-aunt of the bride, cut the cake and Mrs. Arthur Hunt and Miss Dorothy Book poured. Aides were Mrs. Clarence Perschke, Mrs. Gerald Perschke, Mrs. Wendell Dean, Mrs. Richard Dean and Mrs. J. F. Hay.

The bride is a senior at Scott township high school, while her husband is a senior at Pennsylvania State college.

## MRS. JACK TINDALL GREET'S T.S.B. CLUB

Mrs. Jack Tindall welcomed members of the T. S. B. club into her home on Blaine street. Mrs. Harold Hoagland and Mrs. David Bevan received lovely birthday gifts from their secret sisters.

Canasta and 500 were the entertaining diversions of the evening, with Mrs. June Buchanan and Mrs. Katie Bishop winning prizes for canasta, and prizes for 500 presented to Mrs. Eileen Steele and Mrs. Anna Jamison, the latter being a special guest.

A tempting lunch was served by the hostess, assisted by her daughter Sally, Guy Cochran and Mrs. Dorothy Hoagland.

The next meeting will be held on February 1 at the home of Mrs. Guy Cochran, 208 East Wallace avenue, with Mrs. Edward Walczak as hostess.

## BRIDAL PAIR-ELECT GUESTS AT SHOWER

A lovely surprise shower was held for Miss Anita Sacco and Larry Attisano, bride and groom-elect of February, at the residence of Mr. and Mrs. H. L. Marvin, 122 East Garfield avenue, Saturday evening, with Mr. and Mrs. Russell J. Crane of 2406 North Mercer street and Mr. and Mrs. J. G. Crockett of Cleveland, O., entertaining jointly for 12 couples.

Bridge and games were the diverting feature of the evening, with Mrs. Thomas Middleton, Miss Sacco and Kenneth Myers winning the prizes.

White wedding bells were arranged throughout the house and the clever centerpiece of the table where the ladies were seated gave the effect of a bride and groom floating on clouds. Marking the place-settings were tiny parasols over green place cards—the names written in shorthand, signifying the fact that Miss Sacco, is employed as a secretary in the claim department of the Pennsylvania railroad.

Cigars were used as place cards at the men's table, and a miniature scale model of a Texas landscape and Foley Bros. department store at Houston, Tex., featured the arrangements, indicating the extensive training program for the Pitt Retail school, which Mr. Attisano is planning. Tall lighted white tapers accented the appointments at both tables. Aides in serving were Mrs. Marvin and Mrs. Wayne Carpenter.

Miss Sacco was presented with a corsage and a boutonniere was given to the prospective groom.

A collection of miscellaneous gifts was arranged under an umbrella for the honor couple.

Special guests sharing in the festivity were Mr. and Mrs. Carm Sacco, parents of the bride-to-be. Larry is a son of Bruno Attisano of West Pittsburg. Out-of-town guests were Mr. and Mrs. Wayne Carmenter of Ashland, O., and Mr. and Mrs. Stan Daniels of Youngstown, O.

St. Vitus church will be the setting for the couple's wedding on Saturday, Feb. 3, at 10 a. m.

## HADASSAH RALLY SPEAKER CHANGED

Due to illness, Mrs. Joseph Levine of Greensburg, Pa., will not be the speaker this evening at the pre-donor rally meeting of the New Castle Chapter of Hadassah. The meeting is scheduled at Temple Israel, this evening at 8 o'clock.

The speaker who has kindly consented to replace Mrs. Levine, is Dr. Iwan J. Gruen of Temple Israel. He will review the book, "The Cardinal," by Henry Morton Robinson.

Mrs. Pierson Caplan will be in charge of a musical program.

## V.F.W. AUXILIARY TO MEET WEDNESDAY

Ladies Auxiliary to the V.F.W., 315, will meet Wednesday evening, January 24, at 8 o'clock in the post rooms, East Washington street. The regular business meeting will be conducted by the president, Mrs. Rilla Rishel.

## CRAIN-McGAFFIC BEAUTIFUL RITE

Gowns of Arcadia blue and American Beauty red, worn by the attendants, complimented the white bridal gown worn by Miss Garnet Faith Crain for her marriage to Joseph Arthur McGaffic on Saturday, January 20.

Arrangements of palms, cibodium ferns and lighted candelabra presented an attractive setting for the impressive ceremony which began at 7:45 o'clock. Rev. Albert C. Howe heard the young couple repeat their solemn wedding vows as he performed the double ring ceremony before 400 guests attending the wedding.

The bride is the daughter, and only child of Mr. and Mrs. Claude W. Crain of 105 North Crawford avenue, and the groom, who is with the U. S. Navy at Great Lakes, Ill., is the son of Mr. and Mrs. J. A. McGaffic of 1511 Jackson avenue.

To the strains of Handel's Largo the bride was escorted to the altar by her father. She appeared in a lovely gown fashioned of white chiffon velvet, taffeta and net. White chiffon veil featured the fitted bodice which was enhanced by a scalloped off-shoulder neckline and dainty scalloped sleeves. The same scalloped effect dramatized the hipline, with a full gathered double white net skirt over an underskirt of white taffeta. White net mitts with flared cuff trimmed with velvet bows were pretty accents of the costume. She wore a pearl clutch bag of white lace medallions ornamented with small seed pearls and rhinestones, from which cascaded her scalloped shoulder length veil of nylon net and imported Belgium lace. The traditional something old, new, borrowed and blue was observed by the bride. She had designed her own gown and those of the attendants. A double strand of pearls, the groom's gift, completed the ensemble.

Miss Sara E. Dandy attended the bride as maid of honor, wearing a gown of Arcadia blue velvet, taffeta and net. It was styled like that worn by the bride, complimented by a small blue velvet cap and mitts with flared cuffs. She wore a double strand pearl choker, the bride's gift, and carried a colonial bouquet of white carnations, baby mums and snapdragons.

Bridesmaids included Miss Nancy Reed, Miss Patricia Barber, and Miss Rose Anselmo, with each attired in a gown of American Beauty red velvet, net and taffeta, fashioned like the bride's gown. They wore matching velvet caps and their double strand pearl chokers were gifts from the bride. White carnations, baby mums and snapdragons made up their colonial bouquets.

Tiny flower girls were Janice Ruth O'Brien, of New Galilee, and Linda Ruth Campbell of Clairton, Pa., cousins of the bride.

Thomas McGaffic served his brother as best man, with David Withers, James Raeburn, and Lee Winters, cousin of the groom, as ushers.

Mrs. J. M. Pyle, church organist, played a half-hour recital of appropriate nuptial music preceding the ceremony and played softly throughout.

Following a congratulatory period in the church vestibule, about 250 guests gathered in the dining room for the reception. A four-tiered bridal cake, baked by the groom's uncle, Robert Mounts, graced the table which was appointed with candelabra and white mums. The cake was cut and served by the bride's aunts, Mrs. George Campbell, Mrs. Frank Druschel, Niles, Ohio, and Mrs. R. E. McGaffic, aunt of the groom.

Miss Anna Ruth Snyder and Miss Janet Lou McCollum, classmates of the bride, poured, and the aides were Miss Jeanne Gresh, Miss Shirley Nolte, Miss Sylvia Smith and Miss Marcy Burkholder, also classmates of the bride. Mrs. Estella Lukton was in charge of the reception arrangements, with ladies of the Adams street unit serving as aides.

The couple later departed for a trip to Waukegan, Ill., where they will reside at 720 Bluff street.

The bride, a graduate of the New Castle senior high school, class of June 1950, was employed at Westminster college in the Recorder's office since August. The groom, also a graduate of the local high school in June 1950, is a student of the Electronics Technician school at Great Lakes, Ill.

## REYNOLDS-SETH EXCHANGE OF VOWS

An impressive double ring ceremony united the lives of Miss Donna Ann Reynolds and Ansel M. Seth in the Shenango United Presbyterian church on Saturday, Jan. 20.

Miss Reynolds is the daughter of Mr. and Mrs. William L. Reynolds, R.D. 3, New Castle, and Mr. Seth is the son of Mrs. Clara Seth of Plaingrove, Pa.

Vows were repeated by the couple at 7:30 o'clock, with Dr. J. Calvin Rose officiating before a host of friends and relatives. Glowing candelabra, palms and cibodium ferns created an attractive setting for the wedding.

A fashionable white wool street length dress was worn by the attractive bride as she was given in marriage by her father. Pretty accents were rhinestone trimming and white and brown accessories. She carried a white Bible topped with white roses and streamers.

Mrs. Lillian Faulkman attended her sister as matron of honor, wearing a modish royal blue crepe street length dress with brown accessories.

As maid of honor, Miss Evelyn Murphy was charming in a pale blue wool jersey dress with silver trim. Complimenting the ensemble were black accessories and a silver brocade cap. Each attendant wore a corsage of pink roses and white mums.

J. William Faulkman served the groom as best man, with Arthur Love and William McCrumb ushering.

Mrs. Flo Seley, pianist, accompanied Miss Madelon Reinhard as she sang appropriate nuptial selections.

Immediately following the ceremony a reception was held in the church basement. The young couple later departed for Norfolk, Va., by plane.

The bride, a graduate of the New Castle senior high school, class of 1947, is employed as a secretary to Dr. R. G. Campbell. The groom, a graduate of the Plaingrove high school, class of 1945, is stationed at Norfolk, Va., with the U. S. Navy.

## McGILL GROUP HAS JANUARY SESSION

McGill Missionary society gathered Monday evening in Highland United Presbyterian church with Mrs. Lloyd McCormick leading devotions, her theme being "Christ, the Chastising Friend." Mrs. George Detwiler and Mrs. Dale Marburger conducted the prayer cycle, while Mrs. Philip McGuire offered prayer.

Mrs. Russell Johnston and Mrs. Donald Headings discussed the topic, "Telling His Story to the Multitudes."

Mrs. Robert M. Mills presided when plans were made to attend the mission study day in Highland church on Thursday, January 25. Mrs. Henry Brennenman, Mrs. George Hoyland and Mrs. William Smith were named at the nominating committee for election of officers at a twelve dinner on Monday evening, February 26, in the church.

A refreshing lunch was served by Mrs. James Lutton, Mrs. Robert M. Mills and Mrs. Edward C. Book, hostesses.

## MISS ANNE LUKAS WEDS THOMAS BARTOS

White satin fashioned the gown worn by Miss Anne Lukas as she became the bride of Thomas J. Bartos in St. Michael's church on Saturday, January 6.

Vows were exchanged by the young couple at 10 a. m. with Rev. Fr. William M. Pisarcik performing the impressive double ring ceremony. Red poinsettias and ferns decorated the church altar for the occasion.

The former Miss Lukas is the daughter of Mr. and Mrs. John Lukas, 1506 South Jefferson street, and the groom is the son of Mr. and Mrs. Stephen Bartos, Courtland avenue, Campbell, O.

Given in marriage by her father, the bride appeared wearing a gown of white satin with a nylon illusion yoke giving an off-shoulder effect. The fitted bodice was fashioned with long sleeves which tapered to points at the wrists and tiny covered buttons down the back to the waistline. The full skirt terminated in a cathedral train, and her fingertip veil of illusion fell from a crown of red pearls. She observed the something old, new, borrowed and blue tradition, and carried a bouquet of white roses centered with two orchids.

Miss Joan Lukas as maid of honor wore a gown of pale blue taffeta with the full skirt bound in pale blue satin. A contrasting dark blue velvet jacket was styled with long sleeves and a mandarin collar. A bouquet of red roses completed her costume.

Joseph Bukovinsky served the groom as best man.

A wedding reception was held at the home of the groom's parents for the families. The couple then departed for a honeymoon through the southern states. They will live at 165 Courtland avenue, Campbell, O., upon their return.

A graduate of New Castle senior high school, the bride was a staff nurse at the New Castle hospital. The groom, a graduate of the Memorial high school, Campbell, O., is a clerk at the Youngstown Sheet & Tube company.

## L.D.K. GROUP HAS JANUARY SESSION

Miss Alma Lutz, Maryland avenue, entertained the L. D. K. Missionary society of the Third U. P. church at her home Monday evening. Mrs. Carroll Byler, who was responsible for the program, also led the worship period. Mrs. George Glass conducted the prayer cycle.

Mrs. Thomas Coultas discussed "The Three Goals," while "In Such A Time As This" was Mrs. Howard Burdette's subject. Miss Dorothy Craig told of the work camp she attended at Zion, Tenn., last summer, the talk being illustrated by pictures.

Mrs. Coultas presided when Mrs. Horace Allen gave a report on the Jinia Girls' circle. Mrs. Lloyd Gill, Miss Dorothy Craig and Mrs. Lester Maxwell were appointed as the nominating committee for election of officers at the next assembly Monday evening, February 6, at the home of Mrs. Lloyd Gill, 922 East Washington street.

A seasonal lunch was served by Miss Lutz with Mrs. Plummer Gibson and Miss Craig, co-hostesses, as aids.

## Pondering West Germany Problems

Gen. Dwight D. Eisenhower is meeting with the leaders of Western Germany in his scientific study of Europe's ability to defend itself against Communism and an unparalleled note of "let bygones be bygones."

Despite a sore throat and cold that caused him to cancel a Monday morning meeting with the Allied high commissioners in Germany, Eisenhower was insistent on carrying out his planned talk with the West German officials, his health permitting.

The American commander's statement on his arrival in Frankfurt that he harbors no resentment against the Germans whom he was compelled to fight so strenuously in the Second World War comprises an historic document.

Head of Most Powerful Army Eisenhower's entry into Germany in 1945 was made at the head of the most powerful army ever assembled in the entire history of the world.

Today, he is meeting with Chancellor Dr. Konrad Adenauer and German Social Democratic Leader Dr. Kurt Schumacher at the Bad Homburg residence of High Commissioner John J. McCloy almost empty-handed.

He has—or will have—plans on paper for creation of a formidable Western European defense force. He has obtained pledges and promises for governmental leaders; he has sounded out public opinion and popular sentiment on the rebuilding of European armies at a time when all that is best in western culture and civilization is menaced by Communist militarism and atheism.

Carefully Pondered No statement that Gen. Eisenhower issued in all the long and tiring course of his tour through Europe was more carefully pondered than that made at Frankfurt.

His was the task, five years ago,

of enforcing unconditional surrender upon Germany.

He and his occupational commander, Gen. Lucius D. Clay, were under orders to carry out the long-winded "four D's" of Allied victory—demilitarization, denazification, democratization and decartelization.

In such a role, both he and Gen. Clay knew all too well that they must fall into the bottom zone of popularity among the German people.

But with the western world now arrayed against the threat from the east, and with full knowledge that Germany cannot be counted out as a vital factor in defense rearmament, Eisenhower had to put the facts bluntly and he did not hesitate in doing so.

What he said was this: "Bygones Be Bygones."

"When I entered Germany before I was the head of an army. But now, for my part, I want bygones to be bygones."

"At the time of conflict, I admit I bore antagonism, even hate, toward Germany. I fought hard to destroy it."

"In this day I would like to see all people live as friends."

For the people of Germany, the most significant thing today is that Gen. Eisenhower stressed the angle of equality for a defeated nation.

This is one point on which Adenauer and Schumacher—bitterly divided on political issues—are in complete agreement.

The supreme commander in World War II who left the cloisters of Columbia university to undertake his present arduous assignment left no doubt whatever on this point.

Line up for Freedom He expressed the hope that some day "the Great German people will line up with all freedom-loving people." And in this was an inherent bid to those millions living under Communist domination east of the Elbe river to find some way to assert themselves and throw off the oppression of Soviet dictatorship.

Gen. Eisenhower sought also on his arrival—as he is doubtless doing again in the conference today—to disabuse the Germans of any idea that neutrality in Europe is still a possibility.

Communist propaganda long has centered on the line that European countries need not side with either east or west—that their own interests are best served by serving themselves.

Experience has shown that in cases of Communist penetration, the Reds take not only the services but the leftovers as well. It is this historical fact that Gen. Eisenhower probably is attempting to make clear to the leaders of Germany today.

## EVERY CHILD HAS JEALOUSIES

There's no such thing as total prevention of jealousies. Perhaps no person, child or adult, lives who does not have some jealousies. Not to have jealousies is not to be alive. The only way to get rid of all jealousies between children would be to destroy these children, we want to keep them, of course, and help them to be as lovely and happy as possible. But we can prevent or reduce excessive jealousies, their frequency and intensity.

In some recent forums I conducted with groups of parents in the middle west, a number of parents expressed their being puzzled that a child two, three or four years old, should evince jealousy in spite of their having prepared the older child for the coming of the new baby. The same is often expressed in letters from parents.

For a Lifetime It is manifest that these enquiring parents have supposed that talking with the child about the expected baby for several weeks before its appearance can thus immunize him against jealousy for years to come, even for a lifetime. According to the accounts of these parents, they have done about everything the "experts" have advised in preparation of this child for his acceptance of the new baby.

But these parents express amazement that the "preventive measures" didn't work permanently. Sometimes they seemed to work for the first few days or weeks of the new baby's life but not thereafter. Some parents, not aware of pronounced jealousy in the next older child toward the baby, seem surprised in this older child, six or 16.

Causes of Jealousies These parents just don't understand the nature and basic causes of jealousies. No doubt many writers have been partly responsible for the wrong notion these parents have. Haven't most writers on this subject strongly emphasized the preparation of the young child for the coming of the new baby without making it clear that such preparation is only the beginning of wise measures for preventing or reducing jealousies in all sorts of situations old or new in one child toward another at any period of infancy, childhood, adolescence or even adulthood?

Next time you attend a family reunion or a funeral where there are two or more grown-up brothers or sisters, you need only keep your eyes and ears alert to witness many evidences of jealousies. For example, one mother says of her sister's daughter, "It's awful the way she talks to her mother. It worries me so." Or in referring to her brother's son, "It's too bad he's so dull at school." Often such remarks are followed with "Now my children."

We parents need to realize that jealousy arises in any person when he feels he does not win as strong attention or approval as a brother or sister wins in the family from other members there or from outside the family. We parents need to set the stage so that each child of the family shall achieve in ways he can achieve and enjoy self-approval and approval of others. No matter what we may think, what the child thinks is so for him. And when he shows by his remarks or in any other ways that he thinks he is not loved as much as a brother or sister, we can't reassure him by mere talk. We just have to strive harder to find all sorts of shiffling ways over weeks and months and years to move to him that he is loved as much.

My bulletin "Jealousy" may be had by sending a self-addressed stamped envelope to me at 235 East 45th street, New York, N. Y.

## One Man's Opinion

The UN is beginning to look like the ante-room of a dentist's office. . . . Everyone is aware of toothache, but ducking the X-ray.

Meanwhile we are in the chair getting all our teeth pulled one by one without anesthesia.

Austin is pretty good with the long speeches, but John Lewis has the more direct approach in negotiating with the enemy.

He slid through that new contract so slickly that even India wouldn't have had time to drag heels and say "let's wait some more."

In fact they say "let's wait some more" so often at the UN it must be a waiting room.

But it's nice to know that this is the nation that labored and brought forth this mouse. Up to now the mouse has gotten the cheese and we've gotten the trap.

All I know is that the French are exceedingly hopeful the UN will decide not to meet in their country next year. . . . Things are fairly peaceful there right now.

## From Me To You

By MESEALL

Seems as like there is some interest in the idea of reducing smoke and soot in the air. . . . phone calls and letters have left the impression that something should be done. . . . and all agree that most of the smoke trouble comes from public buildings. . . . office buildings. . . . hospitals. . . . and private homes. Industry really doesn't contribute too much smoke. . . . for it's wasteful in the first place and industry just can't afford to be wasteful in these days.

Read this letter:

"You seemed to seek assurance in Thursday's column that a majority of us want smoke control in New Castle. My apartment was unoccupied from Dec. 17 to Jan. 13. It is heated by a gas furnace, has good storm windows and doors and yet there was a heavy black film on curtains, drapes, and all furnishings. How deep was the black film in every part of lungs in people who lived in less-protected homes, and who walked around out-of-doors?"

I hope something can be done to convince Council and Mayor that a majority of us do see the menace to health and happiness and do want smoke control. A few years ago when the League of Women Voters asked that consideration be given to such a measure, it was bluntly refused by the Mayor. He seemed sure that enforcing smoke control would return us to depression days and Ghost-Town status! Perhaps Pittsburgh's experience will make it easier for us to get such an ordinance now. If petitions and telephoning are necessary I shall be very glad to help and I am sure hundreds more would also take an active part."

Yours truly, Bertha M. Beck.

Thanks Mrs. Beck for your interest. . . . others we feel sure are interested and with that interest made known, . . . clean air could be ours.

## Leaps At Conclusions

(By HENRY McLEMORE)

I am a man who does not jump at conclusions.

I do better than that—I leap at them. I count that day lost whose setting sun does not find me with a too hasty conclusion in my creed.

Ever since I was three years old, and strong enough to toddle near the door to borrow a cup of sugar, I have had my ears assailed with the American belief that there isn't anything like a nice neighbor.

In New York a man doesn't have to put up with that.

Don't Know Neighbors I've been living in the same apartment for several months and the only person I know in the building is someone I have known for years. My sugar is still intact.

So is my lawn mower, my extra coffee cups, my privacy. The residents of New York, who give more to charity than the folks of any other city in the world, would no more think of rapping on a neighbor's door and offering their friendship than they would of giving you their seat on the subway.

For the life of me I can't see the beauty of talking over the wash line, running next door to take phone calls for a family that is out, or swapping coffee, or any of the other one hundred and one things that neighbors in small towns delight in doing.

This too, I have lived in small towns long enough to know that sometimes neighbors don't like one another. Talk about one another. But keep on acting as if they were kind and kind with should the other to get out—move to another block.

Would Like A Look I must admit, though, that the people who live above me fascinate me. I wish to goodness they would call on us so I could get a look at them. I'd even lend them some dem-tasse cups to place out their set for a dinner party.

I have tried to figure them out by the noises they make. One of them—whether it is the husband or the wife I don't know—wears a diving bell all the time. What a racket those shoes of lead make!

I am curious enough to want to see them.

## The Politician's Return

(By HOLMES ALEXANDER)

WASHINGTON, D. C., Jan. 23.—Man in his time plays many roles, and you can say for Mr. Truman that he's now playing all three of the parts which go with being President—he's chief executive, commander-in-chief and candidate for reelection.

Mr. Truman's return to the stage as a candidate for 1952 is the only real news in his \$71.5 Billion Budget Message. His candidacy isn't spelled out, but it's there between the lines for anybody with political savvy to read. Why did the President come out with this new appeal for the Welfare State? Why did he call for another domestic spending spree, the biggest ever in terms of visible and invisible costs? He no more expects the 82nd Congress to pass this Tr-T Deal program than he expects Josef Stalin to join the Knights of Columbus. But Candidate Truman has fond memories of the 1948 election. He won that race on the self-same platform of bogus promises that he now renews.

Laughing Up His Sleeve The sounds you hear coming from Blair House are Mr. Truman laughing up his sleeve even though he manages to keep a straight face while asking the American public to buy the Brannan farm plan, the Ewing medical plan, compulsory civil rights and all the rest.

But there isn't much laughter on Capitol Hill. Senator Byrd, who recently got one of those Dear Harry letters, says this budget beats anything he's seen after 18 years in Washington. For publication Byrd calls it the "height of fiscal irresponsibility," which is a fairly polite way of saying that President Truman ought to blush every time he looks himself in the face in the shaving mirror. A lot of lawmakers, friend and foe, feel that President has picked the wrong time for free-lunch politics.

Capitol Hill, if you want the truth about it, was caught by surprise—yet that's the most surprising thing of all. Oh, sure, the President had let it be known that he was through with politics for the duration of the emergency. He cancelled a whistle-stop tour which he'd intended making last autumn. He's been mighty solemn on the radio lately. In December he made a gesture at bipartisanship by calling the opposition leaders to the White House. In January at his State of the Union speech he drew a big hand when he called for unity and strict economy in government spending. A lot of people thought that Candidate Truman, the matinee idol of the gimre groups, had had his last fling.

How Many Farewell Appearances? Yes, but every old actor knows how it is. How many "farewell appearances" did Edwin Booth and Sara Bernhardt make? For that matter how many Presidents of our century retired voluntarily and undefeated? Three of them died in office, one had a stroke, three were beaten at the polls, only one "did not choose to run," and there's some doubt as to whether Coolidge meant his celebrated statement to be taken seriously. When F. D. Roosevelt set the example of perpetual candidacy, it became inevitable that some of his successors would regard the presidency as a lifetime job. Nothing in Mr. Truman's career suggests that he has anything better to do than run for office as long as he lives.

The country will want to know whether the President's role as candidate will interfere with his roles as chief executive and commander-in-chief. Perhaps the answer is that this interference has been there right along.

As chief executive between June and November, the Congressional election period, Mr. Truman did very little to put the country on a war footing. Prices and wages rose, but he did not execute the powers he had to stop inflation. Politicians don't like to inconvenience people.

Looked Lot Better In June As commander-in-chief, he looked a lot better in June than he now does in January. Some of his best friends, like Senator Douglas of Illinois, don't know what to make of him these days. There seems no way on earth to justify the President's insistence that he—and he alone—will decide about sending garrison troops to Western Europe. The Senate is willing to send the troops. The country seems willing to send the troops. But Mr. Truman has stubbornly refused to admit that he needs anybody's permission, even though he would greatly strengthen his leadership by sharing it with Congress. But politicians don't like to share power.

Anyhow, one question has been answered by the Fair Deal nature of the war-time budget message. Can the President and the 82nd Congress work in harmony together? No, they can't.

## Looking At Life

By ERICH BRANDEIS

The best friend I ever had was my father.

Whenever I was in a jam, I went to him. When I was puzzled about anything, I always felt free to confide in him. He was much older than I, of course, but he always understood. He was never condescending, never superior, never assuming the attitude of the censor, the dictator, the boss.

Time has been dead for a long time now. But somehow, he is still my pal, still my adviser, still my helper when I am in trouble.

Whenever anything puzzles me now, whenever I have a knotty problem to solve, I go into my room and look at dad's picture. "What would you do in a case like this?" I silently ask. I imagine that he is sitting with me, and together we work out the problem.

Don't think, though, that my father was an easy-march or a push-over. Don't imagine for a minute that he gave me everything I asked him for.

He gave me what he thought was good for me, and he denied me what he considered bad.

He was a stern father, but an understanding one. He was exacting, but he was just.

The relationship between my father and me was very simple. He never stood on ceremony. He never cared for method or ritual.

He was always ready to listen to me, to explain things to me, to set me right when I was wrong.

It did not matter to him whether I wore overalls when I went to him or was dressed in my Sunday clothes.

I said what I had to say in my own words and in my own simple way, and he answered me likewise.

All he wanted was the truth and sincerity, and I always knew that I would get the plain, simple, unadorned truth from him.

And that, dear readers, is the way I like to deal with the Father of us all—our God.

That is why I have no patience with those who tell me that MY religion is the wrong religion, that only theirs is the right one.

I have no patience with all the rigamarole of ceremonials and rituals.

I deny that there is only one way to god—the other fellow's way.

My earthly father is gone. My heavenly Father is alive—very much alive, eternally alive.

As far as I am concerned I want to deal with God as I dealt with that father of mine who now dwells with Him.

I want to be able to go to God with my problems and my worries. I know that He will give me what is good for me and deny me what I should not have.

But when He does deny, He does as my earthly father did. He tells me why. And He tells it to me by His written word.

Like my own father, God has never yet turned me down without good and sufficient reason. And I always found the reason in His all-wise book, the Bible.

That is my credo. If I were wrong, how could it then be said that all human beings, regardless of race or color or creed, are brothers?

Without that credo, how could there ever be peace on earth? (Copyright, 1951, King Features Syndicate, Inc.)

Methodists  
Plan CampaignMahoning Church  
Appoints Committees

According to announcement made today by Rev. O. G. Shindler, pastor of Mahoning Methodist church, the officials and congregation are cooperating in the United Evangelistic Advance of the Erie Conference of the Methodist church.

This Conference-wide activity, which will be carried on simultaneously in over 200 Methodist churches in northwestern Pennsylvania and southwestern New York, is under the general chairmanship of Bishop Lloyd C. Wicke of Pittsburgh. Dr. Thomas E. Colley of Erie is executive chairman, and Dr. Eugene Golay of Nashville, Tenn., as associate secretary of the General Board of Evangelism of the Methodist church, is the director.

Committees have been appointed from the membership of the local church to assist Rev. Shindler in the various phases of the campaign. The general planning committee is composed of the pastor, Alvah Johnston, lay leader; Mrs. J. M. Conn, secretary of the Christian Service; Mrs. Martha Ronk, president of Methodist Youth Fellowship; Lawrence Godwin, supt., of church school; J. Allan Bretell, assistant; Mrs. Ralph Taylor, Mrs. Harry Mowrey, Mrs. R. C. Cather, Mrs. Leonard Blasdel, Mrs. Myrtle Miller, Don Sturgis, and Dick Gilbert. The prayer committee chairman is Mrs. A. Waddell. Mrs. Alva Godwin heads the church attendance committee, and Leonard Blasdel is chairman of the visitation evangelism committee. These committees will begin work at once.

The week of February 4-11 has been set aside in all participating Methodist churches for special visitation evangelism and preaching services. It is anticipated that many will be brought into the Christian fellowship through these special services.

Young Women To Give

Brownie Troop 59  
Has Doll Contest

Troop 59 Brownies met Monday, January 22, in Mahoning school, with President Dottie Sicks in charge. The Brownie Promise and the scout song was given at the opening.

Madeline Pecario, secretary, read the minutes of last meeting. The treasurer, Pattie Melchiorre gave her report.

A doll contest was project of the day. Three of the ninth grade students were judges, Marietta Veri, Susie Park and Mary Perretta. Winners were Anita Conti and Rosemary Thompson, each receiving a prize.

Games were played during the remainder of the evening. Mrs. Judie Shope will send "get well" cards to a sick brownie.

The troop was in charge of Mrs. Eulene Shope, Mrs. Jennie Singer and Mrs. Anna Maiorano.

Ward Students  
Enjoy Fun Nite

At Mahoning school the initial Fun Nite was very successful. A play was presented entitled "Let's Ask Mother." The characters were: "Mother," Virginia Domenick; "Father," Tony DeProspero; "Eleanor," Anita Colli; "Jack," Donald Nocera.

After the play there was a quiz. Virginia Domenick was quizmaster. Anthony Rotz collected all the wallets in a box and then gave the wallets back to the owners. After the quiz there was a broom dance. A large gathering is expected next Friday evening.

READING, Pa., Jan. 23.—(INS)—Rev. Raymond M. Kistler, president of Beaver college, was re-elected president of the Pennsylvania Council of Churches at the 40th annual meeting in Reading today.

Six incumbent vice presidents were re-elected and a seventh was added.

The new vice president is Mrs. Clifford S. Heinz of the Pittsburgh Presbyterian church.

Need Trained First  
Aid Instructors

Mrs. Louise McConnell, executive director of the Lawrence County chapter of the American Red Cross has announced that there are now being taught throughout the county, seven standard first aid classes, and it is hoped from these classes will come the nucleus of an instructor's class.

The county, especially local industry, is in need of trained first aid instructors for civil defense purposes, and should eventually benefit from the current program.

Harry J. Culliford has been appointed instructor-trainer, by the National Red Cross organization, and is fully qualified to teach an instructor's class, after having completed almost 30 years of Red Cross training.

Tall Cedars To Confer

Forum Broadcast  
Here Is Cited In  
Trial Of Nelson

PITTSBURGH, Jan. 23.—(INS)—Judge Michael A. Musmanno today testified that Steve Nelson once admitted "working for revolution in the United States."

The judge, appearing as a witness in the sedition trial of Nelson and two other Communists, said Nelson's remark was part of a forum broadcast by a New Castle, Pa., radio station (WKST) in March, 1949.

Nelson and his attorneys objected strenuously to the testimony, and Nelson and Musmanno engaged in a heated exchange before Judge Henry X. O'Brien was able to restore order.

Nelson's attorneys objected to Musmanno's testifying "to what this witness supposes he heard over the radio."

Judge O'Brien overruled the objection and suggested that defense attorneys confer about subpoenaing recordings of the broadcast.

Stadium Erection  
At Ellwood City  
Must Be Delayed

Due to a government order restricting the use of steel for industrial use only, the proposed erection of a new steel stadium at the Ewing Park field in Ellwood City will be delayed. It had been hoped to have the stand erected for use in the coming football season this year.

J. Ellis Bell, superintendent of Ellwood schools, announced that the National Production Authority had denied an appeal for exemption imposed last October 27. It was imposed the day after a contract had been let to a Pittsburgh firm for the erection at cost of \$81,550. The proposed stands would hold 5,000 people.

Actual construction of the new bleachers had not been started when the order went into effect, thus the denial of erection privilege at this time.

Nothing Better

If a man isn't able to eat the foods he likes he's in mighty sorry shape—imagine going through life without being able to enjoy a fine big platter of bacon and eggs. That is the way Joseph N. Dammitt, 3414 E. 5th Street, Dayton, Ohio, used to be, but since he has been taking HADACOL, he says he feels just fine and is able to enjoy lots and lots of fine foods.

Mr. Dammitt found that taking HADACOL helped his system overcome a deficiency of Vitamins B1, B2, Niacin and Iron.

Here is Mr. Dammitt's statement: "My first bottle of HADACOL convinced me that HADACOL was what I needed for the ACOL on my stomach at nights. I could not keep food on my stomach, but after the first bottle I was going great. Now I eat bacon and eggs, and other foods that never would stay with me. I also can sleep well at nights. I never be without it, and can recommend it to all who suffer with the above ailments that I had. I know because I have suffered for quite some time."

Re-Ly-on Products Company To Make Mattresses For U.S.

Re-Ly-on Products company of West Pittsburg has been awarded a contract by the United States government for the manufacture of mattresses for the armed forces.

Recently the United States army quartermaster asked for bids for mattresses for the army. Sixty-six companies submitted bids and of the 66, five were awarded contracts. Re-Ly-on is one of the five.

The production schedule starts February 1 which will mean an approximate increase of 35 per cent in employment. This will require expertly trained sewing operators in addition to help for mattress stitching.

During World War II the company produced army mattresses, parachutes, army coats, canvas cot covers, harnesses for breathing apparatus and other military items.

## Defense Economy Must Be Planned For Long Period

NEW YORK, Jan. 23—(INS)—Sen. Bricker (R) Ohio, declared Monday that because the United States does not believe in "preventive war," it must plan a defense economy to last 20 years or longer.

In a speech to the Wholesale Dry Goods Association, Bricker declared that higher taxes "within certain limits" are better than an economic "straightjacket" to control inflation.

He declared that if prices and wage controls are used they should be on "an all or nothing" basis. Unlike World War II controls, which were temporary, Bricker said that controls must be designed for a long period to meet the threat of world Communism. He said:

"Because we do not believe in preventive war, we now must mobilize in such a way that we can maintain a war economy for five, 10 or 20 years or even longer if necessary."

Army Sends Five Cooks To Study Under New York Chef

NEW YORK, Jan. 23—(INS)—The Army has sent five cooks to study under a prominent New York hotel chef to learn how to "make the food more desirable to the G.I's."

Lt. Col. George W. Weego, food supervisor on the First Army who accompanied the cooks into the kitchen of Chef Joseph Taddei at the Vanderbilt hotel, said:

"We'll never take mother's place, but we'll try."

## New Luxury Liner Makes Initial Cruise

NEW YORK, Jan. 23—(INS)—New York roared a lusty welcome Monday to the new luxury liner, Independence, when the 25 million dollar ship completed an initial shakedown cruise from Boston.

The Independence, largest American passenger ship to be built since the end of World War II, carried 400 guests on its trial run.

The American Export Lines' ship was greeted by planes and police helicopters, dipping in salute. Mayor Vincent Impellitteri, who went aboard near the Statue of Liberty, took a turn at maneuvering the ship to its North River dock.

The Independence, which can

accommodate 1,000 passengers and a crew of 578, will begin a 4-day cruise on February 2.

Shortly after, it will inaugurate a regular schedule to Italy and France with New York as home port.

## Governor Fine To Attend Conference

HARRISBURG, Jan. 23—(INS)—Gov. John S. Fine reported that he will attend an executive conference of governors in Chicago January 26.

The special meeting was called by Gov. Frank J. Lausche, of Ohio, he said, primarily to discuss the civil defense program.

Aspects to be considered are financing, protective shelters, state-local relations in financing civil defense, and certain major defense matters pending before Congress and some state legislatures.

Discussions also are anticipated on means of securing materials and equipment vital to operation of state and local governments and manpower problems of various states.

## Dr. J. McClymonds At Pollock P.T.A.

Members of the Pollock P.T.A. met at the school, with Orlando Lucidore, president, conducting the business.

Peter Grizzle Jr., school principal, announced that a trip would be made to the Boardman, Ohio, elementary school that has just been completed. Interested persons may make the trip, with buses to leave the Lincoln-Garfield school on Wednesday evening, January 24, at 7 o'clock. Reservations may be made by contacting any teacher or principal of a New Castle school.

Roll call was conducted and Mrs. Meade's 2-1 class won the prize for attendance. The door prize was won by Mrs. Anthony Medure.

Orlando Lucidore introduced Dr. Joseph McClymonds of the Slippery Rock State Teachers' college faculty, who spoke on "Self Contained Classrooms." He stressed many advantages of such classrooms, though "the school room and school plan should fully provide for the health, safety and general welfare of the child and teacher." He suggested a need in many of our schools today to use some of the modern and latest techniques of teaching, and to deviate from the usual "straight line" teaching.

## Child Promotion

In addition to listing the many needs to be planned into future building in the school system, Dr. McClymonds talked on the promotion of the child, and clarified many important points by the use of posters and illustrative materials. He stated that the child should grow socially, emotionally, physically and educationally before his promotion. He stressed the importance of teachers recognizing the individual differences of each

pupil in the classroom and that there can be no set standard for the class.

The hospitality committee for the evening included Mrs. Mary Gallagher, chairlady, Mrs. Rose Lombardo, Mrs. Anthony Medure, Mrs. Lamancuso, Mrs. Antoinette Rainey and John Ebert.

The social committee for the February meeting will consist of the sixth grade teachers and parents as follows: Mrs. Mary Richards, chairlady, Mrs. Henry Venditto, Mrs. Marie Melitrot, Mrs. Rose Roselli, Miss Agnes Shepp and Miss Helen Ryan.

## Use Of Tungsten Sharply Curtailed

WASHINGTON, Jan. 23—(INS)—The government on Monday broadened controls on steel production and sharply curtailed the use of tungsten.

National Production Administration Harrison signed the two orders, effective immediately, in a move to assure materials for production of jet fighters and other military equipment.

The tungsten order rigidly controls the manufacture and use of high-speed steels—which normally consume about half of the nation's tungsten supplies and are used in machine tools.

Manufacturers of electric light bulbs—users of a "considerable"

amount of tungsten—are not affected by the order.

However, NPA specified that no more than 50 pounds of the metal may be used in any three-month period starting March 1 to make grinding wheels or pigments of any type.

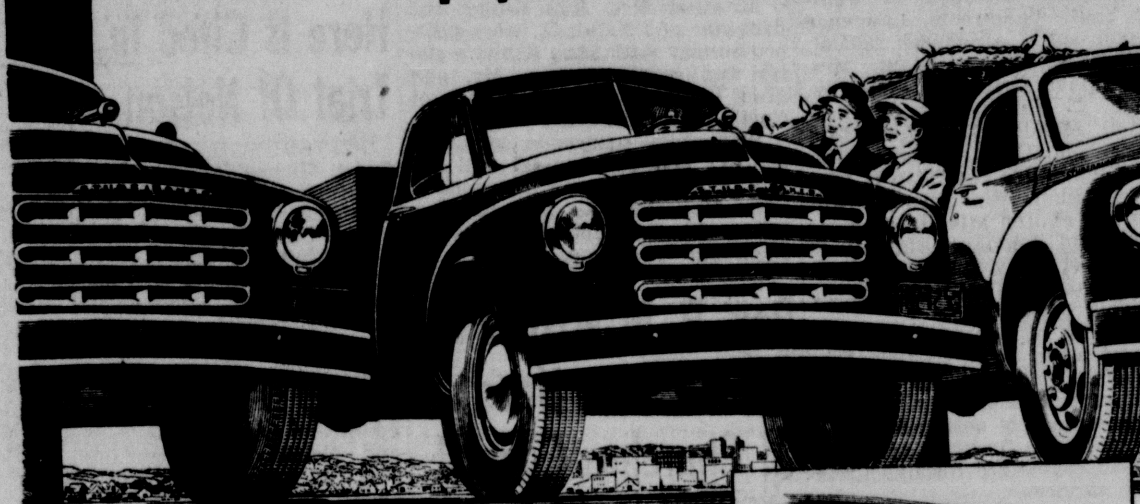

The ban on pigments affect high quality printing and lithographing inks and coloring material for rubber, linoleum and similar items. Harrison approved a 15 per cent increase on the ceiling covering the amounts of defense-rated orders steel producers may receive from the government.

In addition, NPA specified a new 45-day limit on the inventories of steel products businessmen may hold in their warehouses. If they can work with less, NPA ordered them to do so.

There are approximately 500,000 silos in the U.S.

## Lawrence Co. To Become Fifth Class County Soon

Sometime within the near future Lawrence county will become a fifth class county, stepping up from its present sixth class county designation.

Unofficially the county is credited with more than 100,000 population and any county with a population between 100,000 and 150,000 is a fifth class county. The official designation will come when the census figures of 1950 are certified.

### Little Change

There has been considerable conjecture in this county as to what changes will be made when the county goes into the fifth class. General Assemblyman Robert M. White has brought from Harrisburg a compilation of the differences in organization of county government which shows the setup of all counties from the second class through the eighth.

There will be few drastic changes in the county setup when it becomes a fifth class county. Perhaps the most radical is in the conduct of the jail. For many years the jail has been under the supervision of the sheriff.

In a fifth class county the sheriff handles all writs, but the jail is under the supervision of a board of prisoners which is appointed by the county commissioners.

Under a fifth class county an assistant county detective is permitted. The prothonotary will still be the clerk of common pleas and quarter sessions courts and the register of wills will still be the recorder of deeds and clerk of the Orphans court.

There will be some increases in salaries, particularly the court, the commissioners, county treasurer, and district attorney. Others will remain at the same level.

### Both For A Time

For a time it is thought the county will be both fifth and sixth class insofar as salaries are concerned. Under the constitution,

no officer may accept an increase in salary during his term of office. Only the court is exempted from this provision.

There will be no change in the conduct of legal business. The change from sixth to fifth class county will be hardly noticed save for the differences in some of the salaries paid county officials.

## New Record Looms For Steel Mills

NEW YORK, Jan. 23.—(INS)—The American Iron and Steel Institute said today that the nation's steel mills this week will turn out more than two million tons of steel for the first time in the history of the industry.

The institute reported that operations in the current week are scheduled at 100 and 9/10ths per cent of the industry's increased 1951 capacity. This is calculated to produce 2,017,000 tons of ingots and steel for castings.

The current operating rate will be 1 and 3/10ths points above last week's figure of 99 and 6/10ths per cent, which accounted for 1,991,000 tons and was a new tonnage peak up to that time.

A month ago, the industry produced at 100 and 1/10th per cent of its 1950 capacity rate to bring forth 1,930,600 tons. A year ago, 1,790,000 tons were produced when operations were at 93 and 9/10ths per cent of capacity.

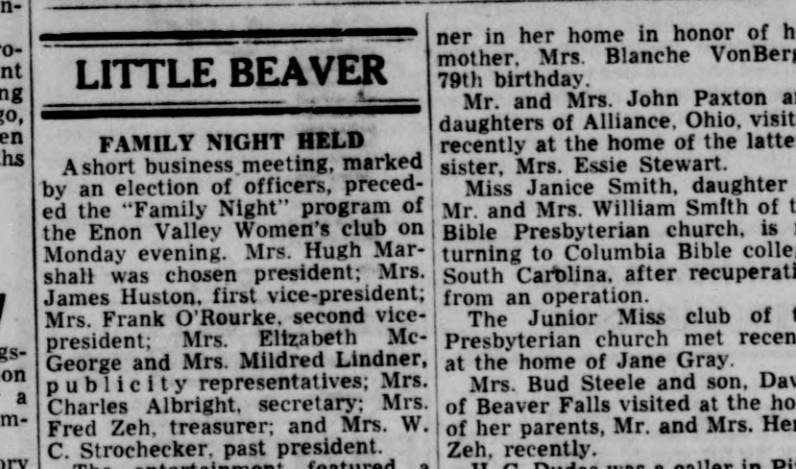

## Cost Accountants To Meet Wednesday

Local members of the Youngstown chapter, National Association of Cost Accountants, will hear a prominent speaker at a forum meeting on Wednesday night.

He is Paul Elchinger, factory accountant for Westinghouse Electric Corporation, who will lead the discussion with a paper on "Accounting Payable Procedure." Dinner will be at 6 p.m. and the meeting will start at 8 p.m.

**"I HATED THE THOUGHT OF 'CHANGE OF LIFE'**

but Lydia Pinkham's Vegetable Compound proves wonderful to relieve hot flushes"

"I had heard so many tales about women going through 'change of life' which is usually between 38 and 52 years—I really dreaded reaching middle-age for fear I like so many women, would suffer from hot flushes and nervous irritability due to this functional period peculiar to women. I tried to laugh it off but all of a sudden I found myself suffering from these embarrassing symptoms! Then believe it or not—my mother-in-law told me how wonderful Lydia Pinkham's Vegetable Compound is to relieve such symptoms. I started taking Pinkham's Compound and I find I get amazing relief from hot flushes and night, high-strung, nervous feelings—when due to this cause."

"In fact I take Pinkham's Compound regularly—to help build up resistance against such middle-age distress. I suggest if you suffer this way to give it a trial."

P. S. Pinkham's Compound tastes swell in fruit juice or water.

**Union High Senior On State High Chorus**

Charles Kelso, a senior of Union high school, has been signally honored by being selected to participate in the All-State High School chorus, as a result of auditions held at the Mid-western District Chorus Festival, which took place at New Bethlehem, January 11, 12, and 13.

Charles was selected as a representative for the State Festival, which will take place at Ellwood City, February 8, 9, and 10. The best singers were selected from the district chorus.

The chorus will be composed of 200 singers, and Charles was selected as best bass for the participation. His talent and work has earned for him the honors bestowed upon him.

**THE CENTRAL IDEA**

50,742 NEW Freight Cars

1. IT'S EXCITING to watch the parade of railroad emblems when a freight rolls by. You see cars whose "home ports" may be San Francisco or Bangor. And these days, you'll also see many a bright new car sporting a big N.Y.C. and the oval mark of New York Central.

2. THOSE NEW CARS are among 50,742 Central has ordered since 1945. They represent a \$232,000,000 private investment in the public interest. An investment it took faith to make in the face of Central's net profits averaging less than 1% over the past five years.

3. CENTRAL DIDN'T WAIT for record peacetime production or a national emergency to create demand. It started to build up its freight fleet the minute steel became available after the war. And your Railroad has gone on ordering an average of 10,000 new cars a year.

4. THAT'S WHY new cars are ready to help America mobilize. Ready, as well, to bring you the things you buy... or speed your town's products to market. Yes, freight is one more way your railroad is a living part of your community. And that's the CENTRAL IDEA!

## Unrest Within Soviet Union Is Indicated

PHILADELPHIA, Jan. 23.—(INS)—Harold E. Stassen has cited a "stepping-up" of Russian precautions along her borders as a strong indication that there is unrest within the Soviet Union.

In a question-and-answer period following his address at a university of Pennsylvania dinner last night, the former Minnesota governor and Republican leader said:

"Reports from governments along the borders of Russia fit a pattern, I have found from my travels.

"Along these borders, in many cases, trees and bushes have been stripped bare and the ground has been cleared of grass.

**Unhealthy Internal State**

"Barbed wire has been going up and troops have been shifted. These precautions are not being taken to protect the people within Russia, but they are being taken to keep the people inside Russia from leaving it.

"These precautions, for which I find no parallel in history, point to an unhealthy internal state of affairs in the Soviet Union."

Stassen was then asked if the Soviet Union might deliberately start a war to divert the attention of her citizens from their internal troubles.

"My judgment is," Stassen replied, "that the people could only be united to protect Russia from outside invasion. Russia has not even been able to sell the Red army that any other nations are a menace to Russia."

## Milk Problems Will Be Aired

County Producers To Meet Wednesday Eve

Lawrence county dairymen will have an important meeting in the court house, Wednesday evening at 8 o'clock, when a number of problems which are causing confusion in the minds of milk producers will be aired.

Kenneth Hood, agricultural economic specialist of Penn State college will be present to lead the discussion, and will speak on conditions in the dairy industry at the present time.

The most pertinent question to be discussed will be "Should the government set the price of milk?" Under this title, some other problems which will come up will be "Should the Pennsylvania Milk Control Commission be continued?" and "Should the Present Law Be Modified?"

The discussion will probably be a lively one, and should be of interest to all dairymen. The meeting is sponsored by the Lawrence County Agricultural Extension Association.

## New Jersey Farmer Held For Death Of Woman In Quarrel

TRENTON, N. J., Jan. 23.—(INS)—John Updike, 31-year-old farmer, was held on a murder charge today in the "lovers' quarrel" slaying of Mrs. Elsie Baus, 44-year-old wife of one of Updike's wealthy neighbors.

Mersey County Prosecutor Mario H. Volpe said Updike dictated a "complete confession" ten hours after Mrs. Baus' body was found on a lonely road in Hamilton township.

Volpe said Updike admitted that he beat the woman with his fists and stabbed her with his car keys at the climax of the quarrel.

County Physician Dr. C. Walter Carroll reported that Mrs. Baus died of blows on the head and that her windpipe had been severed by the keys.

Volpe said that Mrs. Baus' husband, Elmer, a prosperous farmer, had asked the prosecutor to intervene about a year ago because Updike was "running around" with his wife.

Updike reportedly told Volpe that he resumed his friendship three months ago with Mrs. Baus, who has a 22-year-old daughter.

He was quoted as saying that he became frightened when he realized she was dead, dumped her body on the road, and drove home. He later surrendered to police.

Authorities booked him on a murder charge and scheduled a hearing today.

## Morrison Gets Word On Claims

### Prisoner Of War Claims Lagging

Commander Wendell Morrison is in receipt of information on a number of questions involving claims, which reveals that the various responsible agencies are getting well caught up with payments due veterans and their survivors from the last war, in Pennsylvania.

In regard to Prisoner of War Claims, the War Claims Commission states that it expects to complete payment of 121,000 claims from former prisoners of war, or their survivors during 1951, despite the fact that less than 32,000 have been paid to date, and current processing is about 1,000 per week. Of the 121,000 claims, all but 700 have been acknowledged and assigned claim numbers. Only 500 claims have been disallowed, mostly involving survivors of civilian internees.

Those whose claim application number is 30,000 or less, should have been paid by the end of 1950. To date, \$19,140,000 has been paid to 31,295 claimants, 85 per cent of which was paid to former prisoners of war or survivors.

War Claims Commission is expecting to get an increased appropriation from Congress to permit it to expand its present personnel staff to expedite payment of these claims.

**Foreign Service Claims**  
In regard to Pennsylvania Bonus of those who are paid part of their bonus, and no payment was made for Foreign Service, supplemental checks are being mailed to those entitled just as soon as Foreign Service dates have been verified from Armed Forces records.

About a month ago, there were approximately 67,000 claims yet to be processed. Of these, 55,000 were living veterans' claims, and

12,000 were dependents' claims. This number should have been reduced by this time by at least 20,000. About 10,000 supplemental bonus checks will be mailed out in February, completing payment of Foreign Service, it is stated.

### HER FIRST FORMAL

"I am 16 and about to attend my first formal dance. Please give me the following information: (1) Should I wear high or low-heeled evening slippers? (2) Is an evening wrap necessary over an evening dress? (3) Who suggests going home from a party or a dance? (4) Who suggests sitting out a dance? (5) When a boy, other than my date, asks for a dance, what should I say? (6) How should I introduce my date to the family when he calls for me? (7) Should I tell my date I enjoyed the evening when he brings me home?"

Answer: (1) Unless you are very tall and desire to cut off your height, wear high-heeled evening slippers. If you are tall wear ballet slippers.

(2) Yes, except in winter when a fur coat may be worn with evening clothes. Don't wear street-length cloth coat with evening clothes.

(3) It is the girl's place to suggest going home.

(4) The girl should suggest sitting out a dance but it should be done in an inoffensive manner to avoid the suggestion that it is being made because the boy is a poor dancer.

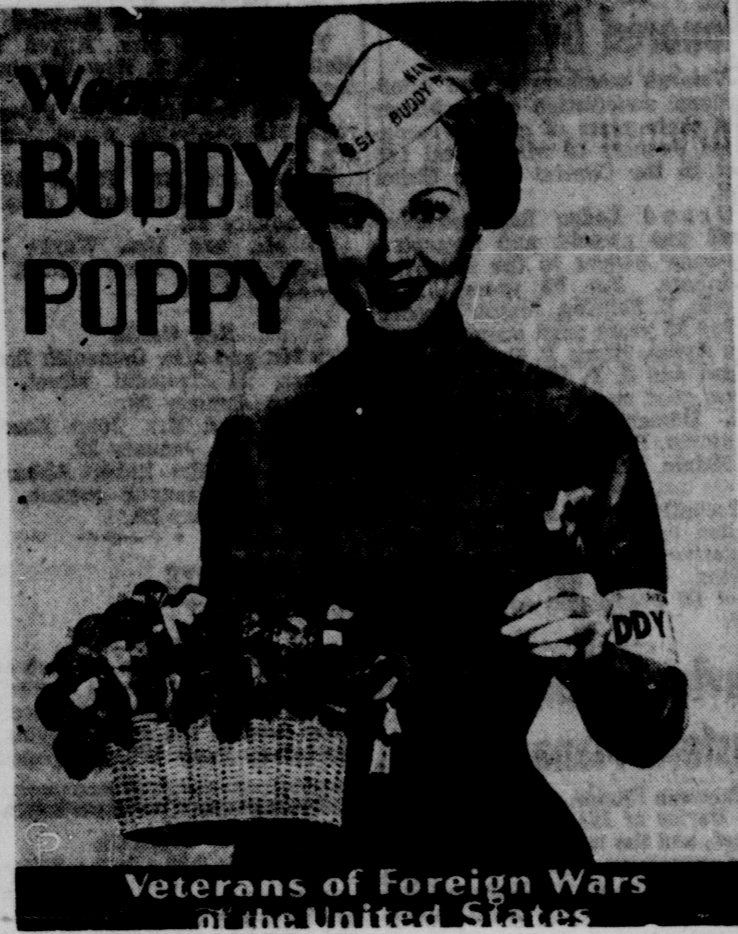

(5) He should ask both you and your escort jointly for the dance, so that your escort may make his own plans during your absence.

You should accept his offer. (6) Family introductions: "Mother and Dad, this is Bill Jones." Always introduce boys to your father; your father to girls.

(7) It is always gracious to say you have had an enjoyable evening.

NEW YORK, Jan. 23.—(INS)—The recording secretary of the New York Firemen's Association was indicted today on grand larceny and forgery counts, charged with stealing \$138,000 from the proceeds of the firemen's ball. District Attorney Frank Hogan said the man, Gerard W. Purcell, 38, had banked the \$138,000 in a special account without recording the receipts. Hogan said the money was accumulated through the sale of tickets to the ball by members of the "major disaster" squad, which Hogan called "just plain phony."

## RECEPTION-SHOWER FETES DONALD RAYS

A reception-shower for 56 guests was given by Mr. and Mrs. Robert F. Henry in the green room of the Y. W. C. A. Saturday evening, January 20, for their son and daughter-in-law, Mr. and Mrs. Donald A. Ray, nee Eleanor Storvik, of Fairbanks, Alaska, whose wedding was an event of January 12 in the Second U. P. church.

A peach and white color scheme was used in the lovely table appointments. A tiered wedding cake graced the center of the table, flanked by double crystal candelabra holding white candles arranged in low bowls floating gladioli flowerlets with green fern. The ivory handled knife used to cut the cake was decorated with flowers and a net bow and was from a wedding set given to the bride by her fellow employees in the Residents Engineer office, Fairbanks.

An array of gifts for the honored couple was displayed on a separate table decorated in peach and white.

Aides at the reception were aunts of the groom, Mrs. James Book, Mrs. A. W. Hanna, Mrs. Ray Zeigler and Mrs. Grace McKough.

## C. D. OF A. COURT CONDUCTS MEETING

Final plans for the Catholic Daughters of America, Court Teresa Irene No. 231, were made Monday evening at the business meeting conducted in St. Mary's auditorium.

Grand regent Mrs. Marie Jones presided at the 8:30 o'clock session.

The pre-lenten dinner is scheduled for January 30, at an inn on the Harlansburg road. The group will leave by bus at 6:20 p.m. from the bus depot. Mrs. Marie J. Metz is chairman and she has arranged a delightful evening.

During the business session, important matters pertaining to the welfare of the organization were discussed. Reports were heard from the various chairmen.

Mrs. M. Nielsen reported on a project of which she is chairman. A donation was sent to the Tuberculosis Society.

Due to the beginning of Lent on February 7, all social functions will be cancelled and business meetings only will be held. February 5, is the next regular meeting.

## Mrs. Cugat Makes Surprise Visit To Estranged Husband

CHICAGO, Jan. 23.—(INS)—The Chicago Herald-American said that Mrs. Lorraine Allen Cugat, wife of the noted band leader who specializes in Latin rhythms, paid a surprise visit on her estranged husband today—in the room of a 19-year-old singer.

The newspaper related that the attractive 30-year-old Mrs. Cugat, accompanied by four detectives, found the 51-year-old hunka king in the room of Miss Abbe Lane, 19, a singer with his band.

Cugat was quoted as describing the visit to Miss Lane's room at the swank Edgewater Beach hotel as "a raid" and adding, "this is blackmail."

Mrs. Cugat, a radio actress, was quoted as saying she went to see Cugat because she "just wanted to talk."

**W.C.T.U.-L.T.L.**  
Frances Willard Union  
Members of Frances Willard W.C.T.U. gathered in the home of Miss Clara Strobel, 931 Adams street, for their January assembly.

Mrs. C. N. Moore offered the opening prayer. Miss Martha Dadds conducted the worship period, using "Intercessory Prayer" as her theme and basing her remarks upon various Scriptural passages. She said, "We criticize our public officials, and sometimes even write them letters, but how often do we pray for them?"

Mrs. Robert Chappell spoke of having received many answers to prayers and cited one instance that occurred during World War II. The group read in unison a hymn, entitled "Prayer."

Mrs. Oscar Rhodes, legislative director, was program chairman. "Legislation" was discussed by Mrs. J. C. Pherson, while "Legislative Aims" was Mrs. Edward Gilbert's theme. Other topics follow: "Christian Citizenship," Miss Anna Dadds; "You Are In Politics," Mrs. Margaret Davis, and "You Can't Make People Good by Law," Mrs. J. E. Rodgers. Mrs. Rhodes told the story of "The Latch String Picture." Mrs. Chappell offered the closing prayer.

Lunch was served by the hostess and her aides, Mrs. Margaret Davis, Mrs. Martha Locke and Miss Laura Bell Mrs. T. W. Donaldson, 420 Hillcrest avenue, will entertain in February.

## Stassen Says Long Odds Are Against War

PHILADELPHIA, Jan. 23.—(INS)—Harold E. Stassen has called for a "long-range" American Foreign Policy designed to "win a victory for civilization and freedom over Communist imperialism without a third world war."

He told a dinner in his honor given last night by the University of Pennsylvania's Board of Trustees:

"This victory should be for civilization and freedom of mankind, not narrowly for America or our own selfish interests."

"This victory should be over Communist imperialism, as our policy should clearly recognize that Communist imperialism with its godlessness, its cruel oppression, its evil designs of world domination, is a menace to the fundamental objectives of all mankind."

**Without World War**  
"And finally, our policy should be to attain these objectives without a world war as clearly the fighting and winning of such a war at best would mean a terrible toll of human lives, a vast sea of suffering, a tragic road for mankind to climb to regain material and moral and spiritual civilization."

Stassen, now president of Penn and former Minnesota governor, reiterated his belief that "the long odds are that the rulers of the Russian Kremlin will not initiate an all-out war."

Stassen, recently returned from

## Graduate Program To Be Expanded At Westminster College

Westminster college will offer an expanded program in education during the second semester of the regular school year, Dr. L. H. Wagenhorst, chairman of the department, has announced.

The program will include 11 courses to be offered in the evening and on Saturday mornings. Registration for the second semester will be held February 3 with classes scheduled to begin February 5.

Evening classes will be held Monday through Thursday and classes will be held Saturday morning. All courses are designed to provide credit toward the master of science in education degree.

Courses will be offered in statistics, supervision, visual education, philosophy, testing, diagnostic and remedial reading, psychology, counseling, high school curriculum, and guidance and school law.

## New Castle Student At State College Given Commission

(Special To The News)  
STATE COLLEGE, Jan. 23.—Gerald William Stewart of 136 Hillcrest avenue, New Castle, who will be graduated at the Pennsylvania State college on Saturday, has been commissioned a second lieutenant in the U. S. Air Force Reserve.

Stewart, who is the son of Mr. and Mrs. D. H. Stewart, has completed the Air ROTC course at Penn State. He will receive his degree in mechanical engineering.

Anthony Stable, of Farrell, also was commissioned a second lieutenant in the U. S. Army Reserve.

Only 10 per cent of military forces actually get into combat during a war.

## THE FAMILY SCRAPBOOK

By DR. ERNEST G. OSBORNE

### A CHILD'S MOST IMPORTANT JOB

What is a child's most important job?

A child's most important job is that of learning to get along with others of his own age.

In our kind of world, there are few things that are more important. At home, on the job, in the church and elsewhere, the individual who doesn't know how to live comfortably and happily with others is almost certain to have trouble with his wife and children, with the boss and fellow workers, with fellow church members.

If we parents can keep this truth in mind it may well make a difference in what we do and say. It's questionable, for instance, to deprive a child of the companionship of his playmates as a means of punishment. And constant warning about playing only with "nice" boys and girls is not wise, for each of us needs to learn how to get along with all manner of people.

We must remember, too, that we cannot and must not do the child's job for him. He's the one who has to learn for himself. All we can do is avoid interfering too much with his day-by-day companionship and lend a willing ear when he has trouble with playmates.

### DOG AID

NEW YORK. — (INS)—If caring for the dog has become a problem, a solution may be in a newly-devised home-boarder. It's an electronic device with refrigerated shelves that rings a bell to call the pup, automatically provides him with food at the exact time for each feeding for a period of seven days. A constant supply of fresh water is also provided.

## City Principals Discuss Problems

Principals of the New Castle public schools met last week in the office of Dr. Frank L. Burton, superintendent, to discuss problems in the city schools.

Among the things discussed by the principals was the question of elementary pupils bringing their lunches to the schools. It was decided by the principals, that due to the lack of lunch facilities, all pupils living within six or eight blocks of the school should go home for lunch, unless some condition makes this impossible.

It was also decided at the meeting that the geography courses in the schools could not be revised entirely according to the state program, due to the fact that new books are not available.

Several months ago the state education board revised the geography schedule for schools in the state. Book companies have not come out with books yet to coincide with the new schedule.

Other business at the meeting included minor problems and discussion of educational meetings to be held in February.

Five elementary school principals, Dr. Burton, and several members of the school board are expected to attend the American Association of School Administrators meeting in Atlantic City February 17-21.

Clare Book, Gerald Nord and Miss Nannie Mitchell are expected to attend the meeting of secondary principals in New York City, February 10-14.

## National President To Address Youth

Regular meeting of the New Castle Temple Youth took place Sunday at the home of Larry Haims, 123 Fairfield avenue. Mrs. Bernard R. Rosenthal, advisor, met with the group when plans were completed for the annual youth Sabbath to be held at Temple Israel on January 28.

The local group will have as their guest this week end Paul Friedberg of Williamson, W. Va., president of the national Federation of Temple Youth. The NFTY is affiliated with the Union of American Hebrew Congregations. Mr. Friedberg will address the congregation at the youth services.

Plans have also been made to have him better acquaint the group with the activities of a national youth movement. After the service, a social period which will honor Mr. Friedberg will be held for the young people at the home of Miss Susie Blau, 202 Hazelcroft avenue.

## Would Allow Every Member Of Armed Forces Of U.S. To Vote

WASHINGTON, Jan. 23.—(INS)—Rep. Edwin Arthur Hall (R-N. Y., on Monday introduced a bill which would allow every member of the armed forces to vote regardless of age.

Hall told the House: "If they are old enough to fight, they are old enough to vote."

*This changes your entire outlook!*

You'll know what we mean, the instant you slip behind the wheel . . .

For here, to begin with, is a whole new concept of safer driving visibility. No more "bonnet blindness"—wondering what's ahead, and at your right. In this sleek new 1951 Packard, you enjoy close-up visibility over a new kind of low-level hood—with distinctive Guide-line fenders to mark the sides of your car for safer parking and passing.

Plus: A new, one-piece windshield, nearly five feet wide . . . a "windshield-wide" rear window to match

. . . new horizon-view visibility all around! And then Packard goes on to change your outlook in every other phase of motoring! Come in—see and drive the newest new car of them all!

**You'll find YOUR BEST BUY IN COOKING is an AUTOMATIC GAS RANGE**

Feature for feature—dollar for dollar—you simply can't beat a new automatic GAS range. That's why we say, "Make the rounds—see all the others"—because an automatic GAS range invites comparison. It has features—basic features—you won't find in any other range!

**WIDE VARIETY OF TOP-BURNER HEATS**

Imagine how much easier it is cooking with GAS "pin-point" control—than with only 5 or 7 different heats! On an automatic GAS range, you choose the heat—any heat—that suits the food.

**DREAM STUFF FROM YOUR OVEN!**

Cakes golden-brown all over, baked anywhere in the oven, on any rack! Constant, even heat that never varies. That's what you get with an air-circulated oven—exclusive with an automatic GAS range!

If you've ever used a pressure cooker, you'll know what we're talking about. You know how the pressure goes up or down when the heat varies even a tiny bit. That shows how important just the exact degree of heat is, with any kind of cooking!

**WHEN YOU START TO COOK—COOK!**

You needn't remember to turn on the gas before-hand. You set your pan on a top burner, turn on the gas, and it starts to cook right then. Even slow cooking takes less time on your gas range, because it starts to cook sooner.

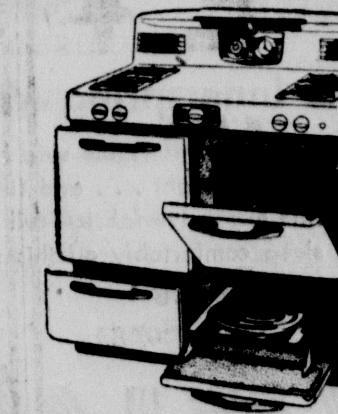

**JUICY, SIZZLING BROILED MEATS—WITHOUT SMOKE!**

Smokeless broiling—with the door closed! Gas flame consumes fatty vapors before they can turn into smoke. Flameless broiling can't do that. So in the range you're considering, make sure you can broil meats smokelessly with the door closed.

These are only a few of the important features. Naturally, automatic GAS ranges have all the other modern features too, such as automatic oven cooking, clean cooking, beautiful modern styling, burner arrangement, other conveniences.

**YOURS—FOR LIFE!**

The burners on your automatic GAS range are yours for life. No periodical replacement. They can't burn out. They're non-clog. Good for as long as your range is.

**AND WHAT DOES THIS WONDERFUL KIND OF RANGE COST?**  
Why, you'll SAVE MONEY!—up to \$100 on a modern, automatic type GAS range. You'll save on installation costs. You'll save forever after, too. Gas is so economical . . . and you'll have practically no maintenance compared with other types.

See these cooking wonders at your Dealer's or Gas Company Office—tomorrow!

**Nation's Problem Is To Discover Men For Key Positions**

NEW YORK, Jan. 23.—(INS)—Dr. Karl T. Compton said Mon-

day that the nation's No. 1 problem is to discover men qualified to handle key posts in the present emergency.

The chairman of the board of Massachusetts Institute of Technology told the opening session of the American Institute of Electrical Engineers 1951 meeting that the business world must train

a reservoir of competent executives. He said a conscious effort must be made "to find promising young men and try them out in jobs of increasing responsibility". He added:

**May Be Significant**

"This may turn out to be far more significant in the final outcome in our present national emer-

gency than the much more publicized handling of selective service or draft."

Dr. Compton, who was presented the Hoover medal—awarded annually to an outstanding engineer—said he sympathized with the heads of government agencies, "even up to the president himself" when they are criticized for

making an ineffective appointment.

He said he personally has known that these agency heads had offered these jobs to "man after man" qualified to handle the responsibility but they refused to accept it.

The Hoover award presented to Dr. Compton hailed him as a "great leader in engineering edu-

cation, who has had a profound influence on the development of science and engineering, and has devoted himself wholeheartedly to the warfare of the nation, both in times of peace and in times of war."

**Confesses That He Choked Wife To Death At Detroit**

DETROIT, Jan. 23.—(INS)—A mild-mannered, 61-year-old mail clerk on Monday confessed to Detroit police that he choked his wife

to death because she "nagged" him for the last 10 years.

Detectives quoted T. DeWitt Pearce as admitting he grabbed his 57-year-old wife, Elsie, by the throat and choked her Monday morning. Pearce told police:

"We've been married more than 30 years and for the last 10 she's been picking on me, constantly quarreling and nagging."

## Milk Price Hearings Set

**HARRISBURG, Jan. 23.—(INS)**—The state milk control commission today scheduled hearings on petitions for increased prices filed by dealers and producers in the Johnstown-Altoona, Erie and Pittsburgh milk marketing areas.

The MCC said prices have not been changed in the three areas since September 1.

Three organizations requested the Erie hearing to be held February 5 in the court house. They were the Dairymen's League Cooperative Association, the Erie-Crawford Dairy Cooperative and the Erie Milk Dealers' Association.

The Pittsburgh petitions will be aired February 6 in the City-County building. The Greater Pittsburgh Milk Dealers' Association, the Dairymen's Cooperative Sales Association and the Keystone Milk Producers Association of Western Pennsylvania joined in requesting the hearing.

The Johnstown-Altoona hearing, sought by the Allied Milk Producers Cooperative and Area Milk Dealers, will be held February 8 in the court house at Hollidaysburg.

The commission said class one hundredweight and retail prices in the districts are Pittsburgh, \$5.35 and 20 and 21 cents; Erie, \$5.35 and 20 1-2 cents; Johnstown-Altoona, \$5.42 1-2 and 20 1-2 cents.

## Ground Rent Will Be Raised At Airports

**CHICAGO, Jan. 23.—(INS)**—The nation's air lines can use the skyways free of charge, but the ground costs money—and its going to cost a lot more in Chicago.

The City Council's Finance committee will receive a proposal from the Public Works Commission, suggesting rent for ground use at Municipal Airport by five non-scheduled air lines be raised from \$2 a square foot to \$20 a square foot.

## WAMPUM

**WOMAN'S CLUB MEETS**

Thirteen members and a guest, Mrs. James Tebay, attended the meeting of the Woman's club in the basement of the Presbyterian church.

Routine business was conducted by Mrs. Albert Lutz, president. Mrs. Edward Butler and Mrs. H. W. Marshall were in charge of the program.

Leslie Marietta, local school music supervisor, gave several vocal selections, accompanied at the piano by DeWayne Kanagy. Mrs. Butler presented a group of piano selections.

**CHURCH GROUP MEETS**

Members of the King's Daughters class of the Presbyterian church assembled in the church basement for the monthly session.

The new officers for the ensuing year were in charge with Mrs. Charles Christopher presiding. Plans were made to hold a penny supper the first of February with Mrs. Hartley Allen in charge of the arrangements.

A social time followed the business session and at a late hour delicious refreshments were served by the officers, Mrs. Christopher, Mrs. Milton Plynt, Mrs. Carmen Lepardo and Mrs. Howard Evans.

**STUDENTS HONORED**

Anne Butler and DeWayne Kanagy have returned to Wampum after representing Wampum high school in the annual Midwestern District Choral Festival held at New Bethlehem, Pa.

Miss Butler, a senior, was selected to occupy first place in the alto section of the chorus after tryouts judged by music supervisors in the district. Mr. Kanagy, also a senior, rated in second place among all the basses of the group.

Earl Willhoite, assistant choral editor of Shawnee Press and a choral instructor at Fred Waring's Music Workshop, was guest conductor and presented the chorus in concerts Friday and Saturday evening.

Mr. Kanagy is the son of Mr. and Mrs. Elmer Kanagy and Miss Butler is the daughter of Mr. and Mrs. Edward Butler, all of Wampum.

The parents and Leslie Marietta, music instructor at Wampum, attended the final concert.

## Rumor Pittsburgh City Solicitor To Resign Her Post

**PITTSBURGH, Jan. 23.—(INS)**—Rumors of the impending resignation of City Solicitor Anne X. Alpern crept through city hall today and sources there said she will quit because the Democratic party machine has denied her promotion to the federal bench.

The rumors followed Miss Alpern's announcement yesterday that she had resigned from the Pittsburgh Parking Authority as of last January 15.

## Explains New Social Security

### Milbourn Is Speaker At Rotary Luncheon

Myron Milbourn, manager of the district Social Security Administration office here, was the speaker at Monday's noon luncheon meeting of New Castle Rotary club held in the Castleton.

Mr. Milbourn gave a general picture of the operation of social security, and explained the provisions of new legislation, which was enacted last fall, supplementing the original law, which provides protection for around ten million more persons not previously covered.

He stated that it had been revealed that two out of every three persons in the United States are unable to accumulate enough money to provide for their old age, or for their survivors in the event they die before reaching old age.

The 1935 Social Security Act was designed to cope with this situation, he stated. In addition to providing for more workers who had not been previously covered, including domestics and farm hands, it also provides coverage for around two million self-employed persons. Payments range from a minimum of \$20 to \$80, and can run as high as \$150 for a man, wife and family.

How the plan works was cited by typical cases, in which it was shown that a wife, though under 65, can secure benefits if she has in her care a child who is entitled to child's insurance benefits based on her husband's record, and where a divorced wife can secure benefits if she is caring for his child, who is entitled to payments, and if he furnished most of her support.

After his talk, the subject was opened for questions.

## Try And Stop Me

By BENNETT CERF

In Washington, a government survey as ordered to study the migratory habits of birds. Thousands of all species were released with metal strips attached reading, "Notify Fish and Wildlife Division, Wash. Biol. Surv." Hugh Newton writes, "The abbreviation was changed abruptly following receipt of this pencilled note from a vexed Alberta agriculturist: 'Gents: I shot one of your crows last week and followed instructions attached to it. I washed it, bled it, and served it. It was awful. You should stop trying to fool the public with things like this!'"

Phil Silvers was shaved by a drunken barber one morning on Hollywood boulevard, or so he says, discovering the man's condition too late to do anything but submit and pray. The miracle occurred, and he escaped without a nick. "Did I do okay?" queried the barber, swaying perceptibly. "I don't know how, but you did," agreed Silvers. "In that case," grinned the barber, "I guess it's safe to shave myself."

## Treatment Of Polio Costly

Care Of Some May Amount To \$15,000

When infantile paralysis strikes, very few families can afford to pay the entire cost of patient care. This may range from a few hundred dollars up to \$15,000 or more, depending upon the degree of physical involvement and the months or years of necessary care. March of Dimes money is a God-send, available to everyone who needs it.

For example, March of Dimes funds amounting to \$17,000 have helped one Texas boy stricken in 1948. Hospital and physical therapy charges came to over \$11,000, nursing almost \$5,000.

Everyone giving this year to the Lawrence County March of Dimes is asked to remember that the National Foundation for Infantile Paralysis today faces its greatest patient load, at a time when the value of the dollar has decreased. More money than ever is needed to pay for hospital care, professional help, iron lungs, hot pack machines and braces.

They have vitamins and minerals and good taste.

They are strong on vitamin A but not in it with turnip greens for that. Butch likes the music when he eats them whether they are red or green.

Granddads likes mashed turnips but was surprised when Butch learned at school that turnip greens have more of everything than turnips do.

Now he and Butch eat the greens when Mom fixes them up for dinner.

Every Afternoon 2:30 P. M.

Every Night 7:30 P. M.

You are invited to bring all the Sick, Deaf, Blind and Incurables, and believe God with us for the complete healing of their bodies. In all these meetings we will pray for emergency cases, hospital cases, folks dying, perhaps with only a short time to live—in every service. Without getting a card or in the healing line, bring them in on a cot or stretcher any time and we will pray for them immediately—always an emergency case we give attention right away.

### *This Is A Typical Report Of One Of Evangelist Kerr's Meetings!*

We have just returned from a great healing meeting in Rochester, N. Y., at Rev. Shea's church on Grant St. Truly it was wonderful the way God manifested His mighty power from night to night. Multitudes were saved and multitudes were healed, all for the glory of God, at one service. God came down in such power a great multitude rushed to the altars and reconsecrated their lives anew as they knelt there in the aura of the Omnipotent power of the Mighty God. With uplifted hands and tear-drenched cheeks they were bathed in the Spirit of God anew, multitudes without pleading or coaxing came for salvation. Night after night the anointing was mighty on the services and miracle after miracle was performed in the mighty name of Jesus; the blind saw, the deaf heard, and the lame walked. One family of four children, three of them had a disease no doctor knew what it was; they had softening of the bones, they all had braces on, but after the thing was cast out in the name of Jesus the braces were taken off and the children ran up and down the aisles laughing because they were rid of those heavy braces which was from ankles to the hips. The father was stone deaf from a small child; never heard in the one ear for many years, but when the deaf spirit was cast out, heard a whisper from either ear in a half minute. One woman with cancer on her breast, my wife put her hand on the lady's breast and the thing was cast out in the name of Jesus and then the lady was told to feel for the cancer and right before the eyes of that great congregation the cancer dissolved from the lady's body that there was no trace left of it. The congregation arose to their feet and cried and shouted their praises. Two deaf mutes came from a distance in the afternoon and both heard and spoke plain in a half minute at the command in the name of Jesus Christ. A woman insane brought direct from an insane asylum was immediately healed and also a woman with a mental cast. Her testimony is in this healer. She was in

an institution and was about to go back but she was instantly healed for the glory of the Lord. There were several epileptics healed and at least 25 arthritis cases completely healed, several with one leg shorter than the other. The leg grew right before the eyes of the congregation. One night the power of God was so great everyone in the healing line was miraculously healed. Not a single one got by without a miracle of healing; peoples and preachers remarked they had seen all the men who are preaching deliverance, but never at any time seen miracles such as were performed in this meeting. Many with ruptures testified the ruptures went back into place and never came forth again. One man who tried to get a position was refused because he had a large rupture, but after being prayed for went immediately back to the doctor for an examination and found to his surprise the rupture disappeared and the man got the job he was seeking. Several with blind eyes saw instantly, many with eyes out of place went back into place. One woman who had undergone an operation on her face had a bone removed. In an instant the bone was put back again by the mighty hand of God. Many with sinus trouble were healed, several with that dangerous disease of scurvy were healed. A boy with rheumatic heart after being prayed for ran back and forth for the first time in his life. Several with blood clot and several with prostate gland trouble were healed all for the glory of God. Truly it was wonderful, and as we go to the next place for another series of meetings it is worth more than anything in this life to be in these meetings. . . . Rev. Kerr is the editor and publisher of monthly magazine called "The Healer", along with a number of tracts written on the subject of divine healing. He also publishes a book called "Here Is Healing for the Receiving", which is in its third edition. It explains the hand of the Lord.

# New Castle Meets Ellwood City Here Tonight In Section 3 Battle

## Cross-County Rivals Match Identical League Records

Cross-county section III floor enemies meet tonight at the George Washington gym to exchange old rivalries and further designs on a better league position.

Ellwood City and New Castle, both two and three in league play, and with Ambridge, sighting the number four spot, lineup for the first of the season's two games.

The Wolverines won from New Brighton, East Brook, Vandergrift, Monaca, and Kane and were beaten by Midland, Bradford and Vandergrift in pre-league play.

Ellwood stopped Sharon and Beaver Falls in sectional games and lost to Farrell, Ambridge, and Aliquippa.

Coach Ted Wallace, with a squad of entirely new faces, is in a position to start six men either 6' tall or over.

Burt Starr, 6', with 18 point out-puts against Ambridge and Sharon, leads the team in scoring with 64 points, and is matched at least in height by Carl Tammara, 6'1"; Paul Marshall, 6'; Merle Young, 6'; John Noness, 6'3"; and Frank Smilek, 6'2".

Also likely to play are Bill Conrad and Lew Nocera, both 5'10".

The Hurricane for 15 consecutive years, prior 1943, was the undisputed master of Ellwood floor-men, but since then has fallen off somewhat, winning 10 of 16 games. The Wolverines dumped New Castle twice in 1946 and 1950.

Milanovich met, defeated in the last two games, will lineup tonight with no changes and is in a position to start six men either 6' tall or over.

Farrell plays at Sharon, and Ambridge at Aliquippa in other rival games. Beaver Falls is idle.

## Illness Fatal To Robertson

### Famous Olympic Coach Succumbs

LAWSON ROBERTSON

PHILADELPHIA, Jan. 23. — (INS)—The sports world today mourned the death of Lawson Robertson, one of the nation's all-time greats of track and field.

Robertson, 67, died last night after a long illness.

"Robbie" had competed or coached in every Olympic game from 1904 until ill health forced his retirement in 1947. He had been track and field coach at the University of Pennsylvania for 31 years.

He participated in the Olympic games of 1904, 1906 and 1908 as a sprinter and jumper. He moved up to assistant coach in 1912 and '20, and served as head coach in '24, '28, '32 and '36.

All the teams which Robertson served as head coach turned in the highest team scores in track and field. (Olympic team winners are not designated officially in track and field.)

## New Honors For Rizzuto

### Hickok Award Goes To Yankee Star

NEW YORK, Jan. 23. — (INS)—Little Phil Rizzuto, the pint-sized New York Yankee shortstop who is mighty tall in talent, added another award to his long list today—the first annual Hickok "professional athlete of the year" selection.

Rizzuto won the diamond-studded \$10,000 belt by six points over golfer Ben Hogan.

The Yankee scooter, the American League's most valuable player, accumulated 162 points on a 3-2-1 basis from the votes of 112 sports writers and broadcasters. Hogan had 156 points.

Heavyweight champion Ezzard Charles finished third with 102 points.

## Hanks, Universals Pace Basketball Teams In County

Hank A. C. and Universal Pottery are leading the way in Lawrence county basketball circles 8-0 and 16-2 records, respectively.

Next come United Engineering (8-2), a team composed of almost entirely the same players as the Hanks, J. Pulaski (12-5) and East Brook Boosters (9-6).

Bob Carlson of Universals leads the way in total points scored with 245 and highest average (for players with more than 100 points) with 15.31 points per game.

Ralph Manzo and George Wright of the East Brook Boosters are next in average, followed by Fred Wimer of Universal and Sammy Calizza of the Ecclesiastics. Wright has been called into the service and will probably not play any more basketball in the county this season.

All of the team or scoring records are complete, due to the fact that not all scores have been turned in to The News and perhaps our overlooking several. However, if there are any errors they will be corrected the next time the records are printed if The News is notified.

Four of the top five teams in the county will be on the card at George Washington junior high school on Feb. 2 for the polo benefit. K. Pulaski will meet the East Brook Boosters and Universal will play United on that program.

## K. Pulaski Sports Meeting Tonight

Stanley Carr, president of the K. Pulaski Sports Club has called an important meeting of the members and club officials for 9:00 o'clock tonight at the K.P. hall.

Several vital matters of interest to every member will be taken up for a discussion and it behooves each member to make an effort to get to the meeting. The K. Pulaski Sports Club has done an excellent job this year and in other years.

## County High School Fives Wind Up First Half Tonight

Old-time rivalries will be renewed tonight in Section 23 WPAL when the county class B fives wind up the first half of the 1951 league schedule.

Schedule makers have tried to windup the section scrambles with arch neighborhood rivals meeting and in Lawrence county have matched Mt. Jackson with Bessemer, Union with Shenango and New Wilmington with Wampum.

Mt. Jackson, Shenango and Wampum will be the home teams for the contests.

Counties Vs. Bessemer

Mount Jackson and Bessemer will battle it out in what could be one of the best games of the season. The Mounties' record is not as good as the Cementers but they have been tough their last three times out and have the home floor advantage.

Union meets its cross-town rival, Shenango, in another game that should be close. The Scotties will again be underdogs, though that means little when these two teams meet.

New Wilmington is not figured to dethrone the Wampum Indians from first place in the league but could make it interesting if it is at full strength tonight.

East Brook travels to Harrisville for a non-league game tonight.

## Pulaskis Annex Thirteenth Victory

The Ted Kozec coached K. Pulaski "Big Five" finally overcome that 13th jinx last night by handily defeating the Sharon CIO team, a 96-80 trouncing at the Farrell junior high court.

Ray Procopio and "Rabbit" Madrid were the Pulaski scoring stars each accounting for 26 points. The Pulaskis led at the half 50-37, but trailed 63-62 as the third period ended. A final quarter spurt turned the trick.

Vince Kelley and "Rags" Grinnin with 15 and 14 points respectively, helped the Pulaski cause considerably. Guerino led the losers in tallying with 37 points.

The Sharon CIO team recently defeated the strong Westinghouse five, the same team that stopped the Pulaski streak at home last Sunday.

## Thelma Phillips Rolls 542 Series

Paced by Thelma Phillips with a 542 series, with games of 205, 191 and 146, the DeCarbo ladies team defeated the Subway Ladies in a match at the Castle Alleys ending the first-half of the league.

The DeCarbo ladies who finished second in the first-half of the league schedule will travel to Monaca Friday to play the Monaca team that won the first-half Tri-County championship. Mrs. Ella Dyll rolled a 483 series in the Subway match with games of 203, 141 and 139.

## Mack Re-Named To Presidency

### Athletics Sign 'Spider' Wilhelm

PHILADELPHIA, Jan. 23. — (INS)—Connie Mack, 88-year-old ex-manager of the Philadelphia Athletics, has been re-elected president of the team.

The annual meeting of the board of directors yesterday named Roy Mack as executive vice president and treasurer while another son, Earle, was elected vice president and secretary.

Gordon M. Burlingame, Bryn Mawr banker, was named a director. He helped to arrange last summer's deal in which Roy and Earle purchased the stock of Connie Mack Jr., Mrs. Mack, Sr., and the Shibe interests.

Meanwhile the A's announced the signing of two rookies—Arnold Portocarrero, 19-year-old West Palm Beach, Fla., pitcher, and Charles Wilhelm, 22, utility man for Buffalo.

## Pulaskis-Hanks To Play Best Out Of Three Series

Hank A. C. and K. Pulaski basketball teams will meet soon in a best out of three series. It was decided Monday night at a meeting of the representatives of the teams.

First game of the series will be played at the Union high school floor. The second will be played at the Y.M.C.A. and the third, if necessary, at a floor to be selected later.

A strong rivalry has been built up between the two teams, both of which are among the top five teams in the county. They have not met before this season.

Dates for the games will be announced later in the week.

Believe it or not, Lee Savold, who holds the world's heavyweight title (British version, that is) scored the fastest knockout in the Garden when on March 19, 1948, he stiffened one Gino Buonvino in 54 seconds flat.

## Westminster Announces Football Will Continue

### Civic Industrial League Results

Westminster College's Athletic committee has unanimously approved the continuance of football next fall as a varsity sport.

A statement signed by Dr. Will W. Orr, president of the college, and posted on student bulletin boards, said "The administration and athletic department of Westminster College will proceed, as in normal times, to continue football."

The statement added that "The plan is subject to curtailment if the male enrollment should decline to such a point that it would be impossible to field a team."

However, the statement added, "Every possible effort will be made to continue the game."

## Trucks Given Salary Slash

### Returns Contract To Tiger Office

DETROIT, Jan. 23. — (INS)—Detroit Tiger hurler Virgil Trucks has signed his 1951 contract calling for a reported 25 percent reduction in salary.

Trucks had returned an unsigned contract last week to general manager Billy Evans, explaining that he would consider a reduction of 20 per cent. This would have made his take around \$16,000 instead of \$15,000 yearly for which he signed.

Evans announced, however, that the rightsholder signed the original contract calling for the maximum cut.

Trucks was on the bench with an ailing arm most of last season and won only three games for the Bengals.

The Syracuse Nationals' Dolph Schayes is demonstrating to the teams in the National Basketball Association that he is as adept in defensive play as in scoring points.

The state fish commission has announced that the 1951 trout season will open at 5 a. m. April 15 and run through July 31.

## Youngstown Team To Meet Universals

Youngstown's General Fireproofing team, leader in the YMCA League in the Ohio city will meet the Universals at the YMCA in New Castle at 9 o'clock, Thursday evening.

The Youngstown team includes Bob Hanshaw, formerly of the pro-Youngstown Bears, Jo Zban, formerly of Marshall college, and W. Raiger, ex-Akron university athlete.

The Universals are undefeated in league play this season and have dropped but two of 19 games.

The 1950 hunting season saw one of the smallest turnouts since pre-war years. The report said even during the small game season when weather conditions were more favorable the turnout was low.

### REYNOLDS and SUMMERS

## HERE and THERE IN SPORTS LAND

**MILLIONS OF QUAIL** are killed annually, according to Burr McMurray, writing in Esquire. The quail, called a partridge by old-timers, isn't a big bird, but is extremely agile, has a wing-spread of about 14 inches, is an elusive target and gives to evasive tricks on the wing. The best hunting is south of the Mason-Dixon line. There is little agreement on the choice of gun, he adds, stating both the .410 and the double barrel 20 gauge are very popular but the real test of a field gun is "whether it is easy and comfortable to handle." As to dogs, there is also a controversy, but the purists use only pointers. Quail hereabouts are practically extinct. Some were seen last fall but the heavy snowfalls have probably killed 'em all. . . . William Fay, writing in the same magazine, totes a boost for members of the Tin Ear profession. He says that "Prize-fighters (a term never used by boxers themselves) are really gentlemen, if not always scholars." Fay types that Jack Dempsey, a terror when he was in the ring, is accredited by Grantland Rice, the dean of sports writers, as "the finest gentleman he knows." Abe J. Green, commissioner of the NBA, commenting on Fay's article says: "It should serve the purpose, in many instances, of tearing aside the unfair mask which has been around boxing figures as hideous demons." Fay ends up his article by concluding that "This business (boxing) merely happens to be crowded with some of the nicest people I know! and I wanted to speak for them."

**THE ST. LOUIS CARDS** will play 53 night games, the most any major league club will play this season. . . . Hughie Jennings won three pennants for Detroit's Tigers and Ty Cobb was a high-salaried player who carried his income bracket into the manager's job, and Mickey Cochran, Del Baker and Steve O'Neill benefited from the open-handedness of Owner Walter Briggs, yet the highest paid of all Detroit managers is Red Rolfe who will receive \$40,000 for 1951. . . . In a recent television interview, Chilly Doyle, Sun-Tele baseball writer, says that if he had to pick the best hurler, Matthewson or Alexander, he would have to name Matthewson, or "Big Six." . . . Les Biederman, writing in the Sporting News, says that Cleveland tried to sell Branch Rickey on the idea of installing Boudreau as the Pirates manager. Rickey went to see Boudreau, Lou, writes Biederman, said he would not even listen to a proposition to go with the Pirates as long as Billy Meyer had a contract with the Indians, which goes to prove that the manager released by the Indians and now a Red Sox is an ethical player—as are probably a large majority of players. . . . Fans paid \$7,426 to see Irish Bob Murphy, San Diego, stop Henry Brimm in the fifth round at Buffalo.

**LAWRENCE B. SHEPPARD**, master of the Hanover farms at Hanover, Pa., and recently elected president of the United States Trotting association, will address horsemen and fair men Thursday at Harrisburg. The session is being held at Harrisburg in conjunction with the meeting of the State Association of County Fairs. . . . Some outdoorees interested in aero feeding will participate in the dropping of feed to wild life next Sunday in northwestern Pennsylvania counties. Interested sportsmen are to be at the Seneca airport, Seneca, at 10 a.m. The airport is not far from Oil City and is accessible by auto. . . . In case anyone is interested in getting a haircut at Singapore, his hair is clipped after which he receives a hard thump on the back of the neck with the side of the barber's hand. This is followed by vigorous massaging of the neck, upper back, shoulders and arms. The thump and slapping is given free. . . . Mayor Haven has called back several pensioners to the police force which shows he appreciates experience and wants to be prepared for any emergency.

### Tommy Ciarlo Wins Decision

PHILADELPHIA, Jan. 23.—(INS)—Tommy Ciarlo, Waterbury, Conn., welterweight, took a unanimous decision from Eddie Giosa last night in a dull ten-round bout for charity at the Philadelphia arena. Ciarlo was a replacement for Billy Graham, who bowed out because of injuries. Harold Johnson, 174, kayoed Dusty Wilkerson, 180, in the fourth round of a scheduled ten-rounder between the local boys. Gil Turner, 145, of Philadelphia, scored his 14th knockout in 14 pro-bouts when he stopped Jimmy Sanders, 148, of Warren, O., in the second frame of their scheduled eight-rounder.

### Farrell And Butler Facing Tough Foes

PITTSBURGH, Jan. 23.—(INS)—The top games in Class A WPAL basketball occur in Sharon and Butler tonight when two sectional leaders face stiff challenges. Farrell, recent conquer of All-quippa, invades Sharon — just across the street—and is a slight favorite to win and keep its Section III lead. Butler, too, is favored against Vandergrift which has a 2-2 record in Section I. The Golden Tornadoes are gunning for their fifth straight sectional victory.

### Brith Sholom Honors Leahy

PHILADELPHIA, Jan. 23.—(INS)—Frank Leahy, Notre Dame football coach, today held the sixth annual national sports award of Brith Sholom. In accepting his plaque at a banquet last night, Leahy said he received the award "not for Frank Leahy but as a symbol of the manner in which the University of Notre Dame is held in this country."

# Snowbound, But Now Jailbound

## Snowbound Men Given Sentences

Three motorists who were stalled in the heavy snow of November 30 are still trying to get out of Lawrence county. They will be leaving at the expiration of a 60-day sentence handed them on Monday morning by Judge John G. Lamoree.

The three are Leo Bartholomew, Arthur Leslie Fox and Dominic Louis Venturella. They were among stalled motorists on route 19 on November 30, 1950, when State Policeman William O'Brien encountered them. Suspicious of their appearance, Mr. O'Brien searched their car and found two jimmies, sometimes used by burglars. Venturella had a .28 calibre pistol on him.

All of them were brought to the Lawrence county jail, along with another companion who secured bail. On Monday the three pleaded to a charge of carrying burglar tools and Venturella pleaded additionally to the charge of violation of the uniform firearms act.

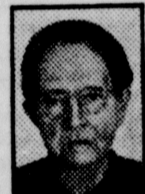

Mr. O'Brien told the court that one of the men had said in the county jail that the next time a state policeman stopped him he would shoot it out. He also said Venturella had admitted they were on their way to Pittsburgh to rob a market.

Said Judge Lamoree: "Anytime you gentlemen decide to shoot it out with a Pennsylvania state policeman, my advice is to take a look at some pictures the authorities can show you. They show pictures of men who tried it but the men had their pictures taken from a slab in the morgue. But

## BLESSED RELIEF FROM CONSTIPATION

"After using ALL-BRAN for some months, I feel I must write to say how much I appreciate what it has done for me. ALL-BRAN has been a marvelous success!"

Mrs. B. Louise Koepke, 1106 Pacific Ave., Long Beach 3, Cal. One of many unsolicited letters from ALL-BRAN users. You, too, can expect relief from constipation due to lack of dietary bulk. Eat an ounce (about 1/2 cup) of tasty Kellogg's ALL-BRAN daily, drink plenty of water! If not satisfied after 10 days, return empty carton to Kellogg's, Battle Creek, Mich. Get DOUBLE YOUR MONEY BACK!

### What to look for when you buy Window Glass...

1. CLEAR VISION
2. SURFACE BEAUTY
3. REASONABLE PRICE

PENNVERNON WINDOW GLASS has all three to an unusually high degree. It is remarkably free from distorting flaws. Brilliant of surface on both sides of the sheet. And despite its superior quality, costs no more than ordinary window glass. When you need window glass to replace broken panes... ask for Pennvernion. And look for the Pennvernion label.

the desk of the county commissioners. The plans show the relocated highway will cross the PRR tracks at Crescentdale and come across the hills back of Wampum to Moravia. The length of the new stretch will be 7.07 miles, with 5.77 being in Lawrence county and 1.30 in Beaver county. Bids will probably be asked for the new work in the spring.

## YW Wives Club Initial Meeting

A group of young women and girls met in the YWCA recently for an extra cup of tea and forming of a new club. The YW Wives club was organized at this time. The group will meet on the first and third Thursday of the month at 1:30 p. m. at the YW.

A talk explaining the national organization of the YW Wives was given by Mrs. R. G. Eakin. All YW groups are democratic, there

being no barriers for race or creed.

Mrs. C. M. Shumate was chosen chairman of the meeting and a discussion was held as to types of programs desired. Textile paint-

ing will be the first project undertaken by the group.

Mrs. Ed Harrison was appointed chairman of a group of mothers of small children to plan a nursery for the next time. Mrs. Harrison and Mrs. George Spelich were

greeters for the day nad Mrs. Frank McClain presided at the tea table. Mrs. Sidney Lockley acted as hostess for the afternoon. All women and girls who are wives are invited to join this new group.
